

Current periodicals/newspapers taken by Central Library (excluding Local titles)

(Updated 25/5/2011)

Introduction

What you can find in this list

- This document lists in alphabetical order our current holdings of journals/magazines.

About each entry in this list

- Where the name of a title has changed over time the alternative title/s are given, with the related dates.
- These titles are also cross-referenced. If a title has changed its name over time, you should find an entry under each name.
- Below each title is the start date, including any gaps or how long we keep the title for. Occasionally, individual issues may be missing from a bound volume.
- The information listed after the dates are the frequency of publication and the locations within Central Library.

Searching the list

- Use the A to Z bookmarks on the left to jump to that part of the alphabet.
- In Internet Explorer or PDF reader, use the find feature by holding down the Ctrl button and pressing the letter 'F'.
- Use the PDF search function by clicking on the binoculars icon.

If you want to see any title in this list

- You can see any title from this list by visiting the Central Library. We don't loan serials.
- For titles in the Reference Library you will be asked to complete a request slip in order for the staff to fetch what you need.
- On the request slip it will save you time if you give us the location details. Eg Quarto or RR Official Series 314.2 or B31293: RL2*

Can I see a title straight away?

- Almost everything can be seen following a short wait whilst we fetch them for you.
- Some archive newspaper titles require a 2-day retrieval notice. Phone the Reference Library on 0117 903 7202 to check.
- If an item has the location SR it is subject to a controlled access policy that involves several days wait. Please ask the staff if this is the case.
