Welcome to Blaise Castle & Bristol OK's Permanent Orienteering Courses.

Using the courses. To complete an Orienteering course you have to navigate using the map from one control post to the next in the order given along the route of your choice.
Beginners. Controls 1 to 7 and No 18. Length 1.7km.

Control Post no 1 is by the wall at the far end of the car park. It has a red top with No 1 painted onto the post and a letter of the alphabet, also painted in black. Go to it and copy down the letter into box no 1 on the map. Visit no 2 etc. etc. What word can you make up from the eight letters you have?

When you have worked out the word send it together with your name and address to:

Anne Donnell, 6 York Gardens,
Clifton, Bristol, BS8 4LL

You will be sent a Certificate to show that you have completed the course and also more information about orienteering in the Bristol area.

A sister course exists at Ashton Court for you to try or perhaps you could on another day try the Long Course here.

Long Course. Controls 1 to 5 and then 11 to 18 Length 4.6 km.

(Please note No 17 has yet to be placed as Contractors are working in that area.)

Experienced Orienteers can plan their own courses but are advised to keep well away from the cliffs and crags. You are advised that usage of the Orienteering Courses is at your own risk.
