

Complete list of titles held in branch libraries in Bristol

(Updated June 2011)

Introduction

What you can find in this serials list

- This document lists in alphabetical order our entire holdings of journals/magazines.
- Please note that there are separate lists for Central Library.
- We try to keep them up to date, but these lists may change at short notice.

About each entry in this list

There are two lists here, by title and by library. Under 'by library' you will see:

- The length of holdings.
- Whether titles are the current edition (sometimes back copies may be passed on, or 'cascaded' from other branches).
- Which libraries the codes below refer to, e.g. FP is Fishponds.

Please note:

- Daily newspapers are sometimes only held for those days on which the library is open. If this is the case those days are listed, eg M Tu Th F Sa.
- Cascaded titles are shown in *italics*.
- Some titles are given to us free of charge. Most of these are distributed from Central Library, so although the library has the current edition, it may take longer to arrive. These titles are shown as 'Free, from Central'.
- We don't loan serials.

Searching the list

- Use the A to Z bookmarks on the left to jump to that part of the alphabet.
- In Internet Explorer or PDF reader, use the find feature by holding down the Ctrl button and pressing the letter 'F'.
- Use the PDF search function by clicking on the binoculars icon.

By title

All BBC publications are under 'BBC'; eg. BBC Gardener's World.

Codes in *italics* indicate the library only has a cascaded copy, **so it won't be the most recent one.**

See the 'By library' section for an explanation of the library codes.
