“Ofsted said, “Pupils are happy and well cared for because of the caring and inclusive ethos, which is based upon the headteacher’s vision of equality of opportunity for all. Good links with parents ensure stakeholders’ satisfaction. Parents and carers are delighted with everything that the school provides. As one explained, “This is the best school in the neighbourhood, we have a fantastic headteacher and staff who look after our children as if they were their own.””

Jan 2015  “This is a Good school with real strengths!”

“We are very happy with Ashley Down. The children feel special and the parents feel lucky.” Quote from our parent/carer annual survey.

“An inspiring learning community for life.”
Ashton Gate Primary School is an outstanding school providing a broad and balanced curriculum alongside high academic standards. We work hard to create a caring and purposeful learning community, where all pupils are happy, confident and reach their full potential.

‘Pupils make excellent progress during their time at school and their achievement is outstanding. All pupils, including disabled pupils and those with special educational needs, reach levels of attainment that are well above national averages.’ Ofsted 2012

"Avonmouth Church of England Primary School is situated in Avonmouth village and welcomes children from nursery age through to Year 6. We are extremely proud of our school and have high expectations for all the children in our school. We have a team of dedicated staff who strive to meet the needs of every child and to help them develop their confidence and self-esteem in order to prepare them for the next step in their education and lives.

We offer a warm, friendly and supportive environment in which Christian values are central to the school and its teaching. As a Church of England School, our framework of Christian values underpin all we do in school and we also have strong links with St Andrew’s Church.

We work especially hard to make sure that every child feels safe and happy at our school and to provide children with a stimulating and exciting environment in which to enjoy their learning and to achieve their full potential.

Our Foundation Stage is an excellent and exciting place for children to begin their learning journey."

Bannerman Road Community Academy and Children’s Centre is an inclusive primary school in Bristol and shares its setting with the Children’s Centre providing education and caring support for our children from birth to 11 years old.

The two modern buildings in inner city Easton are linked by play areas and our developing landscaped areas are used in forest school activities for all children.

We celebrate our diverse and multi-lingual community and believe that all pupils are entitled to high quality, engaging and exciting teaching and learning. We have high expectations and challenge everyone to reach his or her full potential.

Begbrook Primary Academy is a great school – wonderful children, strong staff, fantastic buildings and grounds, and a very supportive community.

We are very proud of our children: they are always very interested in learning about everything, and this makes them a delight to teach. The behaviour of our children is excellent both in and out of class and they really enjoy their playtimes, especially when they get to play on the field.

We aim to provide a stimulating and rich education for each of our children from the minute they arrive in our care.
Our recent OFSTED report described Bishop Road as Outstanding and stated that ‘Bishop Road provides its pupils with an excellent all-round education’ (May 2011). Pupil attainment is one of the highest in the country and Bishop Road offers excellent opportunities to develop the ‘whole child’. We have a unique contextualised curriculum which incorporates a rich and rigorous experience, including many educational visits and history days. We also benefit from having a cooking room, climbing wall, school radio station, gym and school field. At the centre of the school’s achievement is the nurturing of children’s interest in reading and their narrative voice, developing children’s ability to make meaning. Our philosophy is that each child becomes knowledgeable, skilled and kind and develops a sense of purpose as they grow and mature.

At Blaise we have high expectations of our children and of ourselves and we are committed to achieving the best possible outcomes for each and every child. Our constant aim is to share a rich, engaging, active and challenging learning experience through the delivery of a 21st century curriculum that empowers children for the modern world. We strive to ensure that children are listened to, safe, secure, happy and motivated to learn. We believe that everyone SHINES at Blaise so that all children can be Successful, Healthy, Inspired, Nurtured, Empowered and Skilled.

Brentry Primary School is a lovely place to
learn and work. Based in beautiful grounds in
the north of Bristol, it is a vibrant and happy
community, with motivated pupils, supportive
parents, engaged governors and staff who take
their job very seriously (but not themselves).
The ethos is unique and the atmosphere
in and around the school is similar — lots of
focus and dedication combined with tangible
warmth and audible laughter.
Our logo, Learn Together — SHARE Success,
reflects our mission to create successful
learners, confident individuals and responsible
citizens. As part of this, we endeavour to
provide pupils with a range of opportunities
and experiences that inspire and enrich — our
annual trip to France being just one example.
If you would like to find out more about the
school, or simply want to say hello to our
chickens, then come along and pay us a visit.

As one of the genuinely all-through schools in Bristol, children may join us at any age between 3 to 16.
• All any parent wants from a school is for their child to thrive - to be happy, safe and learn well, which is why I enrolled my own daughter in the school this year.
• What we are doing at BLC is very special and we were delighted that this was recently recognized by Ofsted; but it is the positive feedback from students and families that we are most proud of.

Bridge Learning Campus is a large, well resourced school. It is light, airy, conducive to learning. We have extensive sports fields, great outside areas, plenty of IT facilities and even some old fashioned books. Our teachers are dedicated professionals, all committed to delivering the highest standards of education. We enjoy beautiful views over the city and back onto the Dundry Hills; it really is a fabulous location to spend the day learning.

“Achievement has risen rapidly since the start of this academic year as a result of the strong leadership and improvements in teaching.” Ofsted, March 2015

As parents, we want the best quality of education for our children. At BLC we aim to deliver great outcomes regardless of children’s starting points: we ensure that the brightest students flourish; but we never forget that every child matters and never give up on anyone. We review the curriculum regularly to make sure children are learning everything they need to in order to progress academically, but also become good learners and happy youngsters.

“Behaviour in lessons and around the academy is good. Pupils of all ages get on well together and are safe.” Ofsted, March 2015

Our students are well behaved and supportive of each other; every visitor to the school comments on how warm and friendly the school is. Our expectations and standards are high and we will not compromise on these. There are many opportunities for children to collaborate together - through Houses, in their learning, clubs and societies. From this year we are home to Bristol Rugby Club’s Academy; we also share our site with the City of Bristol Gymnastics Centre. We have everything on our door step.

Come and learn for yourselves what BLC is really like.
**Admission policy**

When the Academy is oversubscribed and after places for children with Statement of Special Educational Needs/Education, Health and Care Plan which name the Academy have been allocated, allocations will be made in the following order of priority:

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an Adoption Order, Child Arrangements Order or Special Guardianship Order.

2. Children with a sibling attending the Academy at the time of application. Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

3. New Fosseway School @ The Bridge – siblings of children on roll at New Fosseway School, at the time of application.

4. Geography – children living closest to the Academy as measured in a direct line from the home address to the school.

**Tie-breaks** – Where there are more applications than there are places remaining within a particular category, the direct line distance from home to Academy will be used as a tie-break.

Cabot is a successful, high achieving primary school located in the heart of St Pauls, Bristol. It is a diverse and vibrant community with a rich and proud history. Our core values reflect our belief that education is often collaborative, based on great relationships and should prepare children for life. It underpins everything we do at Cabot.

In January 2015, Ofsted judged the school GOOD in all areas and reported the following comments.

‘A positive atmosphere for learning is created throughout the school, generated by warm and nurturing relationships with pupils.’

‘A varied and interesting curriculum promotes pupils’ spiritual, moral, social and cultural development effectively. Pupils are well prepared for life in modern Britain.’

‘The school’s strong and successful commitment to ensuring that all pupils have equal opportunities to succeed is demonstrated by the good progress that all groups of pupils in the school are making.’

‘The behaviour of pupils is good. At times, their conduct is exemplary. Pupils of all ages prosper in the warm, happy and caring school atmosphere. They show respect for each other, and to adults and visitors.’

‘The school’s work to keep pupils safe and secure is outstanding’

‘Teaching is consistently good over time.’

‘Staff have warm, nurturing relationships with pupils which generate a positive atmosphere for learning.’

Admission policy
Admission arrangements
Applications for places at Cathedral Primary School are made in accordance with Bristol City Council’s Co-ordinated Admissions Scheme. Parents should complete the online Supplementary Application Form via the Cathedral Primary School website and the Common Application Form provided and administered by the applicant’s home Local Authority.

Open Sessions: Open events and tours will take place during the autumn 2016. Please check the school website or telephone the school for further details.

Cathedral Primary School opened under the Free Schools programme in September 2013 with one Reception Class intake of 30 pupils. Together with Bristol Cathedral Choir School, it forms a new family of schools for the city. Cathedral Primary School is in the heart of Bristol, providing opportunities for musically aspirant children and families, and giving an excellent and challenging personalised education. This education is based on Christian values within a supportive and caring family setting. Pupils come from a range of backgrounds and will aim to make the most of their talents - especially in music, art, dance, sport and drama - and each of them will develop high-level skills in literacy and numeracy. Our expectation is that they will develop leadership and confidence, and have ambitious and positive attitudes to learning. Above all, they should enjoy school and enjoy learning.

Procedures where Cathedral Primary School is oversubscribed

Where the number of applications for admission is greater than the Published Admissions Number (PAN), and after the admission of pupils with an Education, Health and Care Plan where CPS is named in the Plan, applications will be considered against the oversubscription criteria, in order, as set out below:

1.) Highest priority is given to looked after children and all previously looked after children. A ‘looked after child’ is a child who is in the care of a local authority or being provided with accommodation by a local authority in the exercise of their social services functions at the time of making an application to the school. This will include children who were previously looked after but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after child.
2.) Pupils who, on the date of admission, will have a sibling on the roll of Bristol Cathedral Choir School or Cathedral Primary School. The term “sibling” means a full, half, adopted, step brother or sister, but not cousins or other family members, who will be living permanently with them at the same address at the date of their admission to Cathedral Primary School. The school may require proof of relationship and or proof of residence.

3.) Pupils for whom it is essential to be admitted to Cathedral Primary School because of special circumstances to do with significant medical or social needs. The application will need to be supported by a letter from a hospital consultant, social worker or similar professional. The information should demonstrate why “Cathedral Primary School is the only school that can meet the child’s needs” and should be submitted to the school by 15th January 2017.

4.) Pupils who are sons/daughters of serving employees of Cathedral Primary School. This will include all staff, full and part time working 28 hours or more per week during term time and who have been employed permanently at the school for two or more years at the time at which the application for admission to the school is made, and or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

5.) Once the oversubscription criteria above, have been applied, the remainder of the places will be allocated by random allocation to those living in the following postcodes: BS1 to BS25, BS29 – 37, and BS40 – 49.

6.) In the event of any places still available these will be allocated by random allocation to those applicants living outside of the above postcode areas.

Chester Park Junior School is a vibrant Junior school which is expanding to 3 form entry from September 2017, serving the Fishponds area of East Bristol. There are many exciting things happening at the school and we are proud of our achievements.

With high expectations and a high level of pastoral care, we seek to educate the ‘whole’ child. We believe in giving all pupils the opportunity to flourish and achieve.

We encourage all the pupils to become independent learners, proactive in their own learning. We celebrate successes gained both at home and at school.

The partnership between home and school is crucial and we encourage parents and carers to take an active part in the learning process.

Admission policy See page 13
Christ Church Primary School is a successful Academy in Clifton Village, close to Brunel’s Suspension Bridge, Bristol Zoo, and cultural amenities of Whiteladies Road and Park Street; offering unique opportunities for our children to learn about our city. Bristol University and Hospitals draw working families globally, resulting in a rich cultural diversity of children at the school. We are a church school with the parish actively involved in school life.

We endeavour to provide an outstanding, enriched, nurturing learning environment. We value parents as partners in the education of their children. We strive to ensure our children feel happy and safe, valued and respected, and are given challenging, interesting work.
Colston’s Primary School is a vibrant Co-operative Academy where children experience a rich and stimulating curriculum which encourages independence, confidence and a love of learning. The emphasis we place on valuing all children as individuals while encouraging collaboration, teamwork and mutual respect is reflected in our motto: ‘Celebrating Diversity, Learning Together’

In September 2015 Colston’s Primary operates within two sites. Our Elmgrove site is a new purpose built early years environment for our Reception and Year 1 classes and our Cotham Grove site provides a unique learning environment for Years 2-6.

Ofsted (June 2014) commented that:

‘The school provides an engaging curriculum and a range of varied and memorable learning experiences. The wide variety of enrichment activities contribute strongly to pupils’ spiritual, social, moral and cultural development.’

‘The behaviour of pupils is good. Pupils of all ages are courteous to visitors, staff and each other. School values, such as ‘equality’ and ‘democracy’, are promoted across the school and contribute well to pupils’ good behaviour.’

Admission policy
Procedures where The Dolphin School is oversubscribed

Where the number of applications for admission is greater than the PAN and after the admission of pupils with Statements of Educational Needs or Education, Health and Care Plans where The Dolphin School is named, the criteria will be applied in the order in which they are set out below. Please read in conjunction with the published Admissions Policy for 2017/18 entry:

a) Equal priority will be given to:
   (i) children who are “looked after” children (within the meaning of the Children Act 1989) at the date that the relevant application for admission is made and who a local authority has confirmed will continue to be looked after by it in accordance with relevant legislation at the time they are admitted to The Dolphin School; and
   (ii) previously “looked after children” who are defined as children who were adopted (or made subject to child arrangement orders or special guardianship orders) immediately following having been looked after.

b) Children who, on the date of admission,
will have an older sibling on the roll of The Dolphin School. The term “sibling” is defined as a brother or sister, but not cousins or other family members, under one of the following categories, and who will be living permanently with them at the same address at the date of their entry to the School.

(i) Full (ii) Half (iii) Step (iv) Adopted (v) Fostered
c) Children who have a parent/carer who is a member of staff at The Dolphin School who has been employed for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
d) Children living in the Area of First Preference. In the event of oversubscription in this category, places would be offered to pupils who live closest to the school. This is measured in a direct line from a point on the home address to a central point within the main school building, using the Local Authority’s computerised mapping system. For multi-storey residences, such as blocks of flats, the front door of the block will be used as the measurement factor.
e) Where places are still available, these will be allocated to children living beyond the Area of First Preference. In the event of oversubscription in this category, places would be offered to pupils who live closest to the school. This is measured in a direct line from a point on the home address to a central point within the main school building, using the Local Authority’s computerised mapping system. For multi-storey residences, such as blocks of flats, the front door of the block will be used as the measurement factor.

Easton Church of England Academy is a rapidly growing school with a strong ethos of care and respect serving our local community in Easton. We are a fully inclusive school which is home to the Bristol Speech and Language Communication resource base. We value all our children equally; working hard to ensure their educational, social and emotional needs are met and that they are enabled to live life to the full. We are committed to working with parents and carers as valued partners in their children’s education and together we continually strive to become the best school we can be.
