How to have your say

A quick reference guide to council meetings (This document last updated on: 25th July 2019)
How to have your say

Involving local people in local decisions is the cornerstone of democracy. There are many ways you can contribute and get your voice heard at public meetings.

This quick reference guide explains the different public meetings, what they are for and how you can have your say. There are guidelines for presenting a petition, statement or question at a meeting and how you will get a response.

For those unable to attend the public meetings in person, we webcast some of them live and make the recording available after the meeting.

Note: questions/statements to meetings will not be permitted if they are about topics/issues which are not within the council’s areas of responsibility or which do not directly affect the city.
