Notes on usage figures, costs and charts

- 1 The period used is July 2016 – March 2017. This is primarily because of the change of library computer system during May and June 2016 and the availability and reliability of the data during this changeover period.
- 2 Visits = door count of visitors to the library via use of electronic door counter during the period.
- 3 Computer uses = number of computer bookings during the period.
- 4 Active members as of 31 March 2017. Active members are those who have issued, renewed, returned or reserved an item, or have booked a computer session in the past 12 months.
- 5 Running costs for the library building include rates, utilities, cleaning, waste management, rent, service charges, repairs and maintenance contracts and call outs, security alarms, security call outs, and pest control. These figures do not include library staffing costs.
- 6 Usage charts do not include Central Library.
