

Notes

The following spreadsheet contains details of all non devolved Section 106 Monies held at 31 March 2018.

Those rows highlighted in red denote monies that need to be prioritised due to time restrictions on spending.

The Ward column shows the ward that the development from which the Section 106 Money was received, happened in. This does not necessarily mean that the money is to be spent in that particular ward.

At the foot of the spreadsheet is the wording the Council uses, wherever possible, in securing financial contributions for Car Clubs.
