

Bristol City Council Annual Community Infrastructure Levy (CIL) Rate Summary for 2021

Bristol City Council's CIL Charging Schedule took effect on 1 January 2013. The CIL Regulations require that CIL rates are index linked from the year that the CIL Charging Schedule took effect to the year that a CIL Liable Development is granted planning consent.

The index to be used up until (and including) 2019 was the BCIS All-in Tender Price Index. From 2020 onwards the index to be used is the RICS CIL Index, which can be found at the following link:
