

## Commissioning Intentions

This document is published for information purposes only. The commissioning and procurement of these services, goods or works is subject to Council approval. While it is anticipated that Council approval to proceed with commissioning and procurement will be gained, the Council reserves the right to withdraw from these processes at any time, at its absolute discretion. This document is subject to frequent updating and is not intended to replace formal advertising or publication of tender opportunities. Tender opportunities can be found on the e-procurement portal <https://procontract.due-north.com/Opportunities> Information about selling to the council is available at [www.bristol.gov.uk/procurement](http://www.bristol.gov.uk/procurement) Applicants' effort and cost associated with preparing to participate in a commissioning exercise or submit a tender is at their own risk.

Bristol City Council is a public authority within the meaning of the Freedom of Information Act 2000, and all correspondence documentation received will be dealt with in accordance with the Act.
