WESTBURY ON TRYM CofE ACADEMY

Striving for Excellence, enriching our Faith, cherishing our Community

ADMISSIONS POLICY 2019-2020

Introduction

Applications to attend Westbury-on-Trym CE Academy are welcomed from all families. The Academy's Admission policy and arrangements comply with the School Admissions Code of Practice and the Bristol City Council Coordinated Admissions Schemes.

The school has a Published Admission Number (PAN) of 60 pupils for entry to Reception classes and to each year group in the Academy.

Where the Academy is undersubscribed in any year group including reception, places will be admitted following the administrative process described below.

Special Educational Needs
Children with Statements of Special Educational Needs or an Educational Health Care Plan (EHCP) follow the transfer arrangements set out in the SEN Code of Practice and associated regulations and are not subject to the general admission arrangements. Children with the Academy named in their Statement or EHCP will be admitted. Other children without a Statement of SEN or an EHCP which names the Academy will be subject to the general admission arrangements.

Over-Subscription Criteria for Westbury-on-Trym CE Academy

Where there are more applications than places in all year group including reception, the following criteria will be used in the numerical priority order below, in determining which children are admitted.

Initial allocations will involve only those applications received by the published closing date and accepted as ‘on time’.

1. Children Looked After or children who were previously in Looked After but immediately after being in Care became subject to an adoption, child arrangement order or special guardianship order.

2. Siblings
   Where there are siblings in attendance in the Academy and who will still be on roll in the year of entry.

3. Distance from the Academy
   Children living closest to the school as measured in a direct line from the home address to the school.
Tie-breaks
- Where there are more applications than there are places remaining within the first two categories above then a category a tie-break will be used.
- Under the distance from the Academy criterion, the tie-break will occur where there are two or more children in a flat or other multi-home dwelling and it is not possible to determine which applicant lives closest to the Academy as measured in a direct line from the building to the school; the available place(s) will be allocated by drawing lots. The tie break will be the drawing of lots and the process will be managed by, and overseen by, a representative of the Diocese of Bristol Board of Education.

Applications at Other Times of the Year (In-Year Applications)

Parents/ Carers of children wishing to apply for a reception place after the published dates for admission to reception will need to follow the Academy Admissions process which can be found at https://www.bristol.gov.uk/schools-learning-early-years/in-year-admission.

Parents of children wishing to apply for a place in other years than reception should follow the Academy guidance from Bristol City Council (BCC) application process which can be found at https://www.bristol.gov.uk/schools-learning-early-years/in-year-admission.

The Governing Body (acting as The Admissions Authority) will consider the application in line with the Academy Admissions Policy, admitting children when there are places and applying the oversubscription criteria where there are more applications that there are places.

Where the Academy is oversubscribed and a place is not able to be offered the Academy will inform parents of their right to appeal and the appeal process.

Admission of children below compulsory school age and deferred entry to school, including for summer born children.

1. Westbury-on-Trym CE Academy will provide for the admission of all children in the September following their fourth birthday subject to the Admissions Policy. Where a child is offered a place at the Academy then the child is entitled to a full-time place in the September following their fourth birthday;
2. The child's parents can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age (ie the beginning of the term after their 5th birthday) and not beyond the beginning of the final term of the school year for which it was made; and
3. Where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.
4. We ask that if you wish to delay or defer the start of your child’s time at the Academy, having been offered a place (as in points 2 &3 above), that you contact us to arrange a meeting to discuss the details and timings of this;
5. We will also ask that you confirm your final decision on timing of entry, following this meeting in writing to the Academy.

What options do I have available if my child is born between 1 April and 31 August (i.e summer born children)?

6. You can either apply as normal for a full-time place for the academic year in which your child will turn 5 years old towards the end of.
7. You can apply for this full-time reception place but then discuss with and agree with the school you have secured a place at/the Academy, that you defer their entry until later in that same academic year for your child.

8. You can apply to Bristol LA or the Academy to defer your child’s admission by a whole year until they reach compulsory school age and then you will be applying for a place for them to start in Reception.

9. We would ask any parents/carers who wish to apply for a deferred place for a summer born child to submit supporting evidence. This could include your own reasons as well as any relevant medical evidence or reports from an educational psychologist etc.

Waiting Lists
When a place at Westbury-on-Trym CE Academy cannot be offered, parents/carers can request that their child’s name is placed on a waiting list held on behalf of Westbury-on-Trym CE Academy by BCC.

The child’s name will be retained on the waiting list until the end of the academic year of the application after which time a new application should be made for inclusion in the next year’s waiting list. Children Looked After and previously Children Looked after will automatically be at the top of any waiting list. If a place becomes available at the Academy, the place will be offered in accordance with the published oversubscription criteria and not the length of time a child’s name has been on a waiting list. Names will be removed from the list on request, or if the offer of a place is not accepted within 10 days of the date of the offer. Positions on waiting lists may change due to new applications received and in line with the oversubscription criteria.

Placing a child's name on a waiting list does not affect the parents’ right of appeal against an unsuccessful application.

Appeals Procedure
Parents/Carers have a right of appeal to an independent panel against any decision made by the governors regarding the admission of their child.

Information about the appeal procedure will be provided when an application for a place at Westbury-on-Trym CE Academy has been refused by the Governing Body.

Definitions and Explanation

1. Children in care are children who are in the care of a local authority or provided with accommodation by that authority in accordance with section 22 of the Children Act 1989.
2. Sibling refers to brother or sister, half brother or sister, step brother or sister or the child of the parent/carer’s partner where the child for whom the place is sought is living in the same family unit at the same address as that sibling but not cousins or other family members.
3. The home address is where the child spends the majority of the time and is living with the person who has parental responsibility and is the main ‘carer’ as defined in section 576 of the Education Act 1996 (documentary evidence may be requested). If a child regularly lives at more than one address the Governing Body will have to reach a conclusion about which should be counted as the main address when allocating places. This will normally be the address where income claim benefit is paid and/or the applicant is registered with a doctor (as of 1st September 2016 current guidance but may be subject to national changes in benefit schemes etc).
4. Home to school distances will be measured in a direct line from a point on the home address as held by the Local Authority to a central point within the main school building using the Local Authority’s computerised mapping system.

5. When will my child reach statutory school age?
   Children must be receiving full-time education by the start of the term following their fifth birthday.
   - For children born between 1 September – 31 December, they reach compulsory school age on 31 December and must be receiving full-time education at the start of the Spring term (i.e January)
   - For children born between 1 January – 31 March, they reach compulsory school age on 31 March and must be receiving full-time education by the start of the Summer term (i.e after the Easter holidays in either March or April)
   - For children born between 1 April – 31 August, they reach compulsory school age on 31 August and must be receiving full-time education at the start of the new school year (i.e after the summer holidays, in September)

Further Advice
Please read this Policy in conjunction with Bristol City Council Admissions Policies which give further information including when the academy has the right to withdraw an offered place (for example, if we discover that an address used during the application process was not the child’s main home address as defined in the section headed ‘Distance from the Academy’ oversubscription criterion 3 above).

THE DATA PROTECTION ACT 1998

Fair Processing Notice (Schedule 1 Section 2 Subsection 1(a) & Section 3)
Local Education Authorities hold information on pupils in order to run the education system, and in doing so must follow the Data Protection Act 1998. This means, amongst other things, that the data held about pupils will only be used for specific purposes allowed by law. We are therefore writing to tell you about the types of data held, why that data is held, and to whom it may be passed.

The Local Education Authority (LEA) uses information collected about pupils to carry out specific functions for which it is legally responsible, such as the assessment of any special educational needs the pupil may have, home to school transport, school admissions, pupil welfare, children looked after, exclusions, early years support, etc. Information collected on pupils may also be exchanged with other departments in the Council, and other public bodies (for example, the Local Health Authority) where this is required for statutory purposes or is deemed to be of benefit to the pupil. The LEA also uses the information to derive statistics to inform decisions on (for example) the funding of schools, and to assess the performance of schools and set targets for them. The statistics are used in such a way that individual pupils cannot be identified from them.

Information on individuals held on computer systems may be kept for up to eight years after they have left school.

Pupils, as data subjects, have certain rights under the Data Protection Act, including a general right of access to personal data held on them, with parents exercising this right on their behalf if they are too young to do so themselves. If you wish to access the personal data held about your child, then please write to Bristol City Council, Data Protection Officer, Room 346, City Hall, College Green, Bristol BS1 5TR. A fee is charged for this service.

REQUESTING A SCHOOL PLACE IN A YEAR GROUP THAT IS FULL

- If you are interested in a place in a year group at Westbury-on-Trym CE Academy which is already full, it is not possible for the school to offer your child a place.

- The request will initially be considered by an Officer from the Authority who will look at a number of factors such as:
  - class sizes at the school
  - how many places there are in the year group
  - how many children are already attending in the year group
  - how many children can be accommodated in the school according to its accommodation capacity
  - how many children are already attending the school
  - whether the school considers that extra children can be accommodated
  - distance from the requested school
  - similar factors for the alternative school which has room in the relevant year group

NB: If your child is in Key Stage One, there is a duty for the Authority to restrict infant class sizes to a maximum of thirty with a single qualified teacher.

- It may then be possible for your child to be offered a place at your preferred school. If this is the case, you will be sent a letter informing you of the offer.

- If your child can still not be offered a place, you will have the right to appeal to an independent appeal panel explaining why you have selected your preferred school. You will receive a letter which includes information about how the appeal will be heard and you are encouraged to attend the hearing to explain your reasons in person. An alternative school will be offered at this stage, which is usually the next nearest to the home address with a place available.

- If the appeal panel considers that your reasons are stronger than the Authority’s case for refusing your child a place, the panel can make a place available at your preferred school for your child, unless your appeal is heard on the basis of class size prejudice. The panel is more restricted in class size prejudice appeals, therefore, you would be sent more information about this in our response to your application.

- If the Authority’s case is stronger than yours, you will be informed that your appeal has not been upheld.

- If your child has a Statement of Special Educational Needs, you can still appeal for a place at Westbury-on-Trym CE Academy, however, your appeal is to the Special Educational Needs Tribunal.
Your named Case Officer will give you information on how to do this.

- If you have any queries you wish to discuss before writing to the School Admissions Section, please ring Bristol (0117) 903 7694 or e-mail: school.admissions@bristol.gov.uk
