1 Policy Statement

1.1 The purpose of this policy is to make clear the admissions process to Bristol Brunel Academy.

1.2 The Cabot Learning Federation (CLF) adheres to the statutory requirements and the principles outlined in the School Admissions Code [DfE December 2014], which all academies are required to adhere to via the Funding Agreement between Bristol Brunel Academy and the Secretary of State.

1.3 The CLF has agreed that the admission arrangements will remain in line with the agreed arrangements for Bristol maintained non-denominational secondary and primary schools.

1.4 More information about the CLF can be found on the website as follows: www.cabotlearningfederation.net.

1.5 The policy covering admissions for Post 16 students is not contained in this document. Please visit the Cabot Learning Federation Post 16 website to view the Post 16 Admissions Policy: http://www.clfpost16.org/

2 The Admissions Timetable

2.1 Consultation

2.1.1 The Cabot Learning Federation (CLF) sets out admission arrangements annually. Where changes are proposed to admission arrangements, the federation will first publicly consult on those arrangements. If no changes are made to admission arrangements, the Academy admissions policy will be consulted on at least once every 7 years.

2.1.2 For admission arrangements for entry in September 2019 and all subsequent years, consultation will be for a minimum of 6 weeks and will take place between 1 October and 31 January of the school year before those arrangements are to apply. An illustration of these timeframes is contained in Table 1 below.

2.1.3 As their own admission authority, CLF academies are not required to consult on their Published Admission Number (PAN) where they propose either to increase or keep the same PAN; however where a PAN is increased the Academy will notify the LA and publish details on the Academy website.

2.1.4 When consultation is required, the CLF will consult the following parties on the proposed admission arrangements:

2.1.5

a. Parents/carers of children between the ages of 2 – 18;
b. Bristol LA;
c. The Admission Forum for Bristol LA (where this exists);
d. Any other admission authorities for primary and secondary schools located within the relevant area for consultation set by Bristol LA;

e. Any other governing body/Academy Council for primary and secondary schools (as far as not falling within paragraph c)) located within the relevant area for consultation;

f. Affected admission authorities in neighbouring local authority areas.

2.2 Determination

2.2.1 Once feedback from the consultation has been considered the CLF must determine the admission arrangements and must notify the Local Authority (LA) of these and publish them on the relevant Academy website.

2.3 Offers and Acceptance of Offers

2.3.1 Offers are made and need to be accepted by the dates set out at Table 1 below.

3 Process of Application

3.1 Applications for places at the Academy will be made in accordance with Bristol Local Authority’s co-ordinated admission arrangements, and will be made on the Common
Application Form (CAF) provided and administered by the Local Authority. The CAF can be found by visiting the academy website. Alternatively, parents/carers can contact the Academy who will provide them with a copy of the form.

4  Published Admissions Number

[Delete or amend relevant age PAN as appropriate]

4.1 Bristol Brunel Academy has a PAN of 232 places in Year 7 leading to a total number of 1160 places across Years 7 to 11 when at full capacity.

4.2 The policy covering admissions for Post 16 students is not contained in this document. Please visit the Cabot Learning Federation Post 16 website to view the Post 16 Admissions Policy: http://www.clfpost16.org/

5  Consideration of Applications

5.1 The Academy will consider all application for places. Where fewer than 232 applications are received, the Academy will offer places to all those who have applied.

6  Students with Special Educational Needs or Disabilities

6.1 Children with Statements of SEN or an EHC Plan are placed in schools/academies through the arrangements set out in the SEND Code of Practice and not through these admission criteria. All admission authorities are required by Section 324 of the Education Act 1996 to admit to the academy a child with a Statement of SEND or an EHC Plan that names the academy. Academies must admit such children whether they have places or not. Any appeal concerning the statement of the admission is to the independent First-Tier Tribunal (Health, Education and Social Care Chamber). Parents/carers of children with Statements of SEND or an EHC Plan should contact their child’s lead professional for any further information.

7  Oversubscription Criteria

7.1 Where the number of applications for admissions is greater than the Published Admission Number (PAN), applications will be considered against the criteria set out below. These are listed in priority order and will be applied to all applications received by the published closing date. Notes/definitions to the oversubscription criteria are set out in Annex A.

1) Children in Public Care and Previously in Public Care

2) Siblings living in the first, second or joint area

3) Geography – Children living within the school’s designated area of first priority.

4) Geography – Children living within the school’s area of second priority/joint area.

5) Siblings living outside the area

6) Geography – Out of the area children. Children living closest to the school as measured in a direct line from the home address to the school (see notes on measurements).
7) Tie breaker – where it is not possible to distinguish between applicants within a particular oversubscription criteria, places will be awarded by random allocation. This process will be supervised by an independent person to the Local Authority and the academy.

8 Late Admissions

8.1 Late applications will not be considered until offers have been made to on time applicants and in accordance with the dates set out in the Bristol Local Authority Admission Scheme.

9 In Year Admissions

9.1 Applications for Academy places from parents/carers resident in, or with a confirmed move to the area must made on the Academy application form available from the academy website. The Academy will consider each application. If more applications are received then there are places available, the oversubscription criteria shall apply. Parents/carers whose application is turned down are entitled to appeal.

10 Waiting List

10.1 Where the Academy has been oversubscribed in the normal admissions round and places have been refused to some applicants, a waiting list will be maintained for any vacancies which subsequently occur in the Academy.

10.2 The waiting list will be prioritised according to the admission criteria and not by reference to the date of joining the waiting list.

10.3 Any waiting list will be maintained until the end of Term 2 (December term) and then discarded.

11 Admissions of children outside their normal chronological year group (delayed or accelerated entry)

11.1 Applications for delayed or accelerated entry in cases where parents would like their child to be admitted to a year group that is not the chronological age year group, will be considered. The admissions authority for the school will make the final decision.

11.2 In addition, parents of summer born children (born on or between 1 April and 31 August) can request to admit their child into the Reception year, one year after they would normally enter the school. The admissions authority for the school will make the final decision.

11.3 Decisions will be made on the basis of the circumstances of each case and in the best interests of the child. This will include taking account:

- the parent’s views;
- information about the child’s academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group;
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

11.4 The admissions authority must also take into account the views of the head teacher.

11.5 Parents will need to write to the school to request that their child starts a year later or earlier than their chronological age. Parents will need to give reasons for the request and details of the
child’s particular needs. Any reports or evidence to support your request should also be enclosed.

11.6 For reception and junior intake applications, it is advised that an on time application is submitted for the correct chronological year group. If the delay/accelerated request is agreed, the on time application can be withdrawn and a new application should be made the following year. If the request is not agreed, and the child stays in their chronological age group, the on time application can still be processed. If a request is not agreed and the child does not have an on time application then a late application would need to be submitted.

11.7 Where the admission authority agrees to a parent’s request for their child to be admitted out of their normal age group the parent must apply according to the timescales of the agreed admission cohort. The application will be processed as part of the main admissions round (including applying the oversubscription criteria where applicable), unless the parental request is made too late for this to be possible. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied and been refused. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

12 Feeder Schools

12.1 The CLF does not operate a feeder primary academy policy for admissions to a secondary academy and therefore attendance at a federation primary academy does not guarantee a place at a particular federation secondary academy. The exception to this is King’s Oak Academy which is an all-through provision.

13 Appeals

13.1 When an offer of a place is made, the reasons for the decision will be set out, together with details of how the parent/carer can lodge an appeal against the decision by the deadline for doing so. The Academy must establish an independent appeals panel to hear the appeal. The panel will decide whether to uphold or dismiss the appeal. Where a panel upholds the appeal the Academy is required to admit the child.

13.2 The arrangements for appeals will be in line with the Code of Practice on School Admission Appeals.

13.3 Parents will normally have 20 school days after notification of a place not being offered to lodge an appeal.

13.4 Parents/carers wishing to appeal against an admission appeal should send a completed appeal form to the address detailed on the offer letter. Other documents may be submitted in support of an appeal and should be lodged not less than 5 school days before the appeal hearing.

13.5 Parents/carers will be given 10 school days’ notice of the appeal hearing, unless they agree to a shorter period of notice.

13.6 The decision of the Appeal Panel will be communicated in writing as soon as possible after the hearing has been concluded and within 5 school days. In the case of unsuccessful appeals the Appeal Panel will give the parents/carers their reasons for not upholding the appeal.
Annex A  Notes/definitions to the oversubscription criteria

1. **Children in Public Care** are children who are in the care of the local authority or provided with accommodation by the authority in accordance with section 22 of the Children Act 1989.

2. **Siblings** refers to brother or sister, half brother or sister, step brother or sister, or a child of the parent or carer’s partner where the child for whom a place is being sought is living in the same family unit at the same address.

Pupils will not be considered as a sibling link where the older child is attending the school in the year of entry as Year 12 or Year 13 students.

**Home address** – The child’s permanent home address, where he or she resides with a person with parental responsibility, or with a parent (as defined in Section 576 of the Education Act 1996). It is the address where the child spends the majority of their time. Documentary evidence may be required to confirm a child’s home address. If a child regularly lives at more than one address the admission authority will have to reach a conclusion about which address should be counted as the main address when allocating school places. This will normally be the address where the Child Benefit is paid and where the child is registered with a doctor.

3. **Geographical considerations**
Home to school distance will be measured in a direct line from a point on the home address as held by the Local Authority to a point within the school building using the Local Authority’s computerised mapping system.

4. **Tie breaker**: Random allocation will be carried out by a person who is independent of the academy and the school admissions process.

5. **Maps**
