Strategic Intelligence publications

Key Facts

www.bristol.gov.uk/statistics

The 'State of the City: Key Facts' report is a summary of major facts and infographics about Bristol, and living in the city.

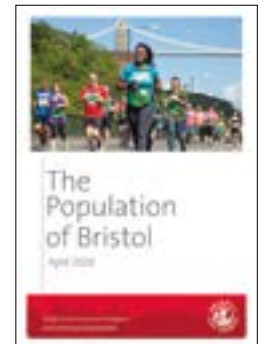

Updated July 2020

Population

www.bristol.gov.uk/population

The 'Population of Bristol' report brings together statistics on the current population of Bristol, recent trends, future projections and key characteristics of the people living in Bristol.

Ward Profiles

www.bristol.gov.uk/wardprofiles

These Ward Profiles bring together a wide range of statistics, including population, quality of life, crime, education, health, and social care. The profiles are available as an interactive tool (via Excel and online) to easily switch between wards and their statistics, and as a pdf report for each ward.

Updated May 2020

The Population web-page includes the latest ONS population estimates for Bristol, with information by Ward and Lower Super Output Areas (LSOAs), and ONS population projections.

Updated report due August 2020

COVID-19 Dashboard (internal use only via our [Source](#) page)

Quality of Life

www.bristol.gov.uk/qualityoflife

Annual residents' survey with over 200 indicators covering topics such as: health, lifestyles, community, local services and public perception about living in Bristol. Most indicators are available by ward, equality group and areas of deprivation.

Updated June 2020

The dashboard is updated weekly and has tracked Bristol / Bristol City Council's (BCC) response to the Covid-19 pandemic through a number of key performance indicators. From August the focus will switch from Response to Recovery.

Joint Strategic Needs Assessment (JSNA) – Health and Wellbeing

www.bristol.gov.uk/jsna

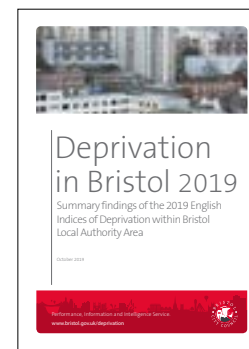

The JSNA Health and Wellbeing profile is a wide-ranging source of data and information on the health and wellbeing needs (now and in the future) of the people of Bristol. It consists of over 80 different topic areas which are updated on a rolling basis as new data becomes available. A number of updates are now due to be published at the end of July 2020.

Deprivation

www.bristol.gov.uk/deprivation

English Indices of Deprivation including the 2019 Deprivation in Bristol report, analysis and mapping tools, together with guidance on the use of deprivation deciles.

Open Data Bristol

<https://bristol.opendatasoft.com>

The Open Data Platform for Bristol includes hundreds of downloadable datasets and a number of Dashboards including Quality of Life in Bristol, Air Quality and Council Elections.

Citizens' Panel

<https://bristol.citizenspace.com/business-change/bristols-citizens-panel>

The Citizens' Panel is an online group of over 1,350 people from across Bristol who regularly share their views on a wide range of issues to let the council know how to improve services and make the city an even better place to live. Results from the 2019/20 annual "Bristol Residents priorities" report can be found [here](#).

Census

www.bristol.gov.uk/census

2011 Census Selected Statistics profiles, briefing notes, summary statistics, topic reports and mapping tools. Also includes profiles of Bristol's equalities communities.

Work on the 2021 Census is underway.

Bristol Research Network

<https://bristolresearchnetwork.wordpress.com/>

Sign up to the Bristol Research Network. This informal group is for people interested in research and statistics about Bristol, and is a place to publish the latest information and intelligence on a wide range of topics. Members are emailed whenever new reports are released.

Mapping

Bristol City Council provides a number of web-based tools which are designed to provide users with access to maps and spatial information quickly and easily:

- **Pinpoint**

<http://maps.bristol.gov.uk/pinpoint>

This is designed to help people locate local information on the most convenient services from a specific location, such as the nearest library to your home or work address. Pinpoint also includes the following area boundaries: Wards, Polling Districts, Parliamentary Constituencies, Lower Layer Super Output Areas and Census Output Areas.

- **My Neighbourhood**

<https://www.bristol.gov.uk/my-neighbourhood-search>

This includes links to relevant statistical data, and information about planning applications, waste collections, political representation etc in your area, all summarised in a single view.

- **Know Your Place**

<https://www.bristol.gov.uk/know-your-place>

This provides access to a variety of historic maps that cover the administrative area of the City of Bristol.

For all mapping queries, contact: GIS_SupportTeam@bristol.gov.uk

Guidance and Lookups

Guidance and lookups on a number of subjects eg Creating a survey, ward map creator, use of deprivation deciles, postcode lookups are available internally on our [Source](#) page: or on request from research@bristol.gov.uk

Compiled by the Strategic Intelligence and Performance Team, Insight, Performance and Intelligence Service, Bristol City Council.
