Hours Premises are Open to the Public

State the earliest time people are admitted to the premises, and the latest time they will leave. Times must be given in the 24 hour clock format.

All times commence at 12 midnight (00.00) where applicable. There are two boxes for times, to account for when you remain closed during the day (or do not wish to provide licensable activities).

Let's say you wanted to open from 11.00am (11.00) to 11.00pm (23.00) on Mondays to Thursdays, 11.00am (11.00) to 2.00am (02.00) on Fridays and Saturdays, and from 11.00am (11.00) to 10.30pm (22.30) on Sundays. You would fill the boxes in like this:

Supply of alcohol		
Day	Start	Finish
Mon	1100	2300
	-	-
Tue	1100	2300
	-	-
Wed	1100	2300
	-	-
Thur	1100	2300
	-	-
Fri	1100	0000
	-	-
Sat	0000	0200
	1100	0000
Sun	0000	0200
	1100	2230

Seasonal Variations

This would allow you to open later on say, Christmas Eve, or to open later during the summer months (you would have to specify which months). You need to say when you want to open and for how long. We recommend you use this box if you know you want to open later during seasonal periods, rather than wasting a Temporary Event Notice in applying for extensions.

Non Standard Timings

This caters for special events or Bank Holidays, for example. You may normally open until 11.00pm on Mondays, but on the first Monday of every month a folk club meet at your premises and you would like to provide alcohol and regulated entertainment until midnight on these occasions. You would put the details in this box.

Indoors or Outdoors

If licensed activities will take place in a building or similar structure, please tick "Indoors". If activities are to take place in the open air, or with a roof cover and no side wall covers, please tick "Outdoors". If you are a pub with a garden (for example) and you would like licensable activities to take place in the garden, you would tick both boxes.

Further Details

You are expected to state the type of activity to be authorised and where applicable, the frequency of these activities. (If you intend to provide licensed activities regularly you do not need to specify this).

If you wish the Premises Licence to include the supply of alcohol you must appoint a Designated Premises Supervisor (DPS). In the box beneath the hours being applied for for the supply of alcohol please state the name, address, Personal Licence Number and the Issuing Authority of the Personal Licence where applicable. A separate guidance sheet and application form for a Personal Licence is available.

Part M (on the application form)

Steps You Intend to Take to Promote the Four Licensing Objectives

This is a very important part of the form. You must use this area to demonstrate that you can run your business in the proposed new manner without contravening any of the four licensing objectives.

You need to satisfy the responsible authorities and any other relevant person (e.g. local residents), that you can run the premises responsibly and in accordance with the licensing objectives. If these people do not feel the steps you propose are adequate, they may object to the application being granted.

It is clearly in everybody's interests to reduce the likelihood of people objecting to your application. You should therefore think very carefully about how you are going to address the four licensing objectives.

Some examples of things you may wish to consider are given below.

General – All Four Licensing Objectives

- Providing registered door supervisors;
- Having a Personal Licence Holder on the premises at all times the licence is being used;
- Staff training on licensing issues;
- Installing a CCTV system.

The Prevention of Crime and Disorder

- Drugs policies/notices;
- Membership of a local Pubwatch scheme;
- Providing adequate lighting;
- Use of a walkie talkie link to other licensed premises in the area;
- Age restrictions;
- Search policies;
- Bottle bans.

Public Safety

- Provision of emergency lighting;
- Provision of additional escape routes;
- Accommodation limits;
- First Aid provision;
- Seating arrangements;
- Use of special effects;
- Number of attendants.
- Avon Fire and Rescue Services recommend that a fire risk assessment is conducted in accordance with Article 9 of the Regulatory Reform (Fire Safety) Order 2005 in order to satisfy public safety, objectives from their perspective.

The Prevention of Public Nuisance

This area is particularly important if you are seeking to extend your licence hours. You are not expected to control or seek to control the behaviour of persons once they have left the premises. However you may wish to consider measures you could take to encourage patrons to leave in a quiet and orderly manner.

- Provision and use of a noise limiting device;
- Secondary glazing/soundproofing;
- Noise patrols of the local area;
- Keeping the music to a reasonable level;
- Litter clearance;
- Considerate loading/unloading arrangements;
- Controlling noxious odours from cooking etc;
- Not using external areas after a certain time;
- Restricting hours that amplified music can take place;
- Keeping doors and windows closed while the licence is being used;
- Prevention of light pollution;
- Notices asking patrons to leave quietly.
- "Wind down" music policies.

The Protection of Children From Harm

- Restricting access to adult entertainment, e.g. lap dancing, age restricted films etc;
- Provision of children's areas;
- CRB checks of staff involved in looking after young people;
- Proof of age cards;
- Prevention of access to gaming machines;
- A limit on the hours during which children can be present on the premises;
- Requirement to be accompanied by an adult;
- Requirement for attendants to be present when children's activities are taking place.

You may wish to look at the Council's Licensing Policy and refer to Appendix C, the model operating schedule, which gives templates of conditions, when considering what steps to offer.

You are not expected to address issues already covered by existing legislation, e.g. "I will not serve to people who are obviously drunk" or "I will not serve alcohol to under-18's".

Whatever you put in this section will become a condition of your licence. Therefore you should not specify anything that you are not able, or not prepared, to do if the licence is granted.

It may be that no additional steps are required, in which case you can leave the relevant box(es) blank.

Documents to be Included

You must enclose the following:

- The fee;
- A plan of the premises. The information contained in the plan must be clear and legible in all material respects.

The plan shall show:

- k) The location of a kitchen, if any, on the premises

The plan may include a legend through which the matters mentioned or referred to in a) to k) above are sufficiently illustrated by the use of symbols on the plan.

The following information may be added to your plans. They are not a mandatory requirement but may speed your application by making it easier for the Licensing Authority and the Responsible Authorities to understand your application and how the premises are to be operated.

- a) Plans to be dated and bear the name and location of the premises

Proof of residence is now a mandatory document for all applications where a licence is being applied for. If you fail to provide a document (as listed in the Immigration Act guidance), then your application will be deemed as invalid.

Part 4 – Signatures

If the application is made by a limited company, partnership or unincorporated association, someone who has the capacity to bind the company or partnership should sign. Your agent (e.g a solicitor) may sign providing he or she has actual authority to do so.

Where there is more than one applicant, they must all sign the form.

What Happens if Relevant Representations are Made?

Representations may be submitted by a responsible authority or other person. Please note from 6th April 2017 the Home Office Immigration Enforcement have also become a responsible authority and may submit representations in respect of applications. All representations are required to relate to the licensing objectives.

If representations are made, the Licensing Authority will hold a hearing to consider the representations, unless the Licensing Authority, the applicant and those making representations agree it is not necessary. This may be the case where all parties meet prior to a hearing and resolve the issues that resulted in representations being made. In such circumstances the representations may be modified and a licence granted with amendments or conditions that arise from that meeting.

If no agreement is reached prior to the hearing then the Council's Licensing Sub Committee will determine your application. The Sub Committee will comprise of elected members who are drawn from the parent Licensing Committee.

You will be invited to attend the hearing to give evidence, answer questions, and call any witnesses. The committee will listen to evidence from both sides before deciding whether to grant the application. They may grant it as requested, grant with conditions (providing they are relevant to the licensing objectives) or refuse your application.

Appeals

If you are dissatisfied with a decision made by the Council, you may appeal to the Magistrates Court for the petty sessions area in which the premises are situated, within 21 days of being notified of the Council's decision.

This information has been made as comprehensive as possible. However, in attempting to simplify the law, certain requirements have been omitted. Full details of what you must do are in the legislation itself. The information in this guidance was accurate when produced but you are always advised to seek your own legal advice should you have any queries and you should note that the Council cannot be liable in any way for the contents of this guidance.
