

Greater Fishponds Neighbourhood Partnership (covers the electoral wards of Eastville, Frome Vale and Hillfields)

Vision Statement

Our vision is to make this area clean, green, safe, healthy and prosperous.

In order to achieve this, we will work to make it -

- A pleasant and healthy place to live, with community facilities for people of all ages.
- An area which is planned, designed and developed with due regard to the wishes of the local residents.
- An area free from crime, anti-social behaviour and prostitution.
- An area free from litter, graffiti, flytipping and posting.
- An area where roads and pavements are well maintained so all can walk and drive safely.
- An area where young people are given development opportunities and experiences which help them prosper in their future lives.
- An area where community engagement is encouraged and promoted.
