4. EXECUTIVE FUNCTIONS

What are executive functions?

Executive functions are all of the council's functions that are not full council functions or non-executive functions.

Executive functions include those local choice functions identified above as the responsibility of the executive.

As specified in the Local Authorities (Functions and Responsibilities) (England) Regulations 2000, executive functions do not include:

- imposing conditions, limitations or restrictions on approvals, licences, permissions or registrations on a non-executive function or determining any terms to which any such approval etc. is subject;
- determining whether or how to enforce any failure to comply with such approval etc. or any of the attached conditions ;
- amending, modifying or revoking any such approval etc. or determining whether a charge should be made for such approval etc. or the amount of such charge;
- making, amending, revoking or replacing the members' allowance scheme;
- subject to any regulations under section 20 Local Government Act 2000, making arrangements for the joint exercise of functions under s.101(5) of the Local Government Act 1972 and making appointments to committees / joint committees under s.102 of that Act;
- any functions reserved to full council under legislation which pre-dates the regulations;
- amending, modifying, varying or revoking any plan or strategy unless it is either required to give effect to the requirements of a Secretary of State or Minister submitted for approval, recommended by a person carrying out an independent examination of a development plan document under s.20 Planning and Compulsory Purchase Act 2004, or where full council when approving the plan/strategy authorised the Executive to do so.

The Mayor's scheme of delegation

The Mayor shall publish a Scheme of Delegation.

The scheme includes the following:

- the councillors appointed to the executive and the nature and extent of any delegation to the executive;
- terms of reference of any executive committees appointed;
- the nature and extent of any delegation to area committees, any other authority, or any joint arrangements and the names of those executive members appointed to any joint committee in the forthcoming year;
- the nature and extent of any delegation to officers.

Guidance on executive functions

Key decisions

The Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2000 define a key decision is an executive decision which is likely:

- To result in a local authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates; or
- To be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the local authority.

Bristol City Council has decided that significant expenditure / savings are those that are of £500,000 or more

- For capital, this includes a decision to implement a capital project with a total cost of £500,000 or more, even if the project has already been included in the council's capital programme.
- For revenue, this includes one-off projects over £500,000 or decisions that amount to a material change to service provision.
- It is not necessary to seek approval to tender for continuing revenue items, for example insurance arrangements, energy supply costs or the consolidated expenditure on supplies and services, even when this expenditure will total more than £500,000. Officers do need to comply with procurement regulations with this type of expenditure.

Central government guidance clarifies what is meant by "significant impact on communities":

- For example a council should regard as key a decision to close a school or carry out road works (such as introducing or altering traffic calming measures) in a neighbourhood, notwithstanding the thresholds of financial significance and that there may be an impact on only one ward.
- Where a decision is only likely to have a significant impact on a very small number of people in one ward or electoral division the decision maker should ensure that those people are nevertheless

informed of the forthcoming decision and sufficient time allowed for them to exercise their rights to see the relevant papers and make an input into the decision making process.

- In considering whether a decision is likely to be significant, the decision maker will need to consider the strategic nature of the decision and whether or not the outcome will have an impact, for better or worse, on the amenity of the community or quality of service provided by the authority to a significant number of people living or working in the locality affected. The following should be considered:
 - The effect on communities, businesses and communities;
 - The expectation of the public and councillors as to whether the decision should be taken by the executive;
 - The anticipated interest of the public and of councillors;
 - The effect on other council services and functions.

In accordance with the above principles Bristol City Council also includes within its definition of key decision as

- Any matters relating to the cessation and/or significant change to service delivery or policy direction
- Any item felt to be of public interest, as determined by the Mayor and Cabinet
- Any matter deemed significant by the Head of Paid Service and/or Monitoring Officer and/or S151 Officer

Regard should be given to the underlying principles of accountable decision making to ensure that there is a presumption towards openness.

Who decides if a decision is key?

- It is for the Executive Director to decide which decisions within their responsibility are key, subject to guidance from the Monitoring Officer who may require that a decision be treated as a key decision.

Principles of delegation

The fact that a function is delegated to an officer under the scheme of delegations does not prevent the executive, or the Mayor, from exercising

that function directly.

- The executive may arrange for functions allocated to it to be discharged by a committee or an officer, although the Mayor has the discretion to direct that such powers of onward delegation are not to apply either at all, or in such circumstances as he / she directs.
- An Executive Director may consider that a delegated authority should not be exercised by him/her and that it should be referred to the executive for determination.
- The executive may request that an Executive Director refrains from exercising a delegated authority in respect of a particular matter and determine the matter itself.
- The executive may determine to reserve decisions about a particular matter to itself.
- When exercising discretion remitted to them, officers are under a duty to satisfy themselves that the decision conforms to the council's budget and policy framework and other approved policies and that, in reaching a decision, they have observed approved practices and procedures and government guidance.
- Delegated officers may arrange for the discharge by their subordinate officers of functions allocated to them provided that the delegated officer remains responsible and accountable to the council for the exercise of his/her delegated powers and puts in place such measures as the delegated officer considers appropriate to ensure that those subordinate officers discharge functions in accordance with the provisions of this constitution and do not exceed the limits of any authorisation made to them by the delegated officer.

Professional advice

The executive and delegated officers should seek and obtain appropriate professional advice from those employed or otherwise engaged by the council for that purpose in connection with the matter under consideration. Any report made by officers to the Leader of the council or the executive should state whether or not such advice has been obtained.

1. Introduction to the Executive arrangements

Marvin Rees is Bristol's Elected Mayor.

He leads the City, in particular, the City Council and has overall responsibility for the delivery of Council services. The Elected City Mayor is directly accountable to local people.

To help him oversee the delivery of Council services and to work with other partners across the City and region, he has appointed two Deputy Mayors and seven Councillors who together are known as the Executive or, more commonly, the Cabinet.

The Mayor has given these Councillors areas of responsibility referred to as portfolios and these are set out in this document.

The Cabinet works closely with the Executive Directors of the relevant services employed to oversee the Council's operations in their portfolio and support delivery of the Corporate Plan.

There is a need to ensure that departments work together and services are integrated. Many of the areas of responsibility overlap. In many instances a Cabinet Member may take the lead on one area but the responsibility is shared across the Cabinet.

The Mayor and Cabinet Members work collaboratively to ensure Council departments and initiatives are joined up and make effective use of the Council's budget and other resources, such as those of organisations in the City and the City Office.

The Cabinet have regular briefings and meetings to identify related issues and the

overall direction for the Council. See attached decision making chart which sets out the process for decision making in the Council.

‘Key Decisions’ means an executive decision, which is likely –
(a) to result in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council’s budget for the service or function to which the decision relates; or
(b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards in the area of the Council.

Bristol City Council has determined that for the purposes of (a) above that “significant” expenditure or savings are expenditure or savings (including the receipt or loss of income or capital receipts) in excess of £500,000

Items that do not meet the above criteria but are felt to be in the public interest, as determined by the Mayor and Cabinet, may also be determined at a Cabinet meeting.

Decisions taken by the Mayor, Deputy Mayors and Cabinet Members are published on the Council’s website.

The Mayor is committed to engaging with citizens and partners and to ensuring that the decision making process is transparent. This document supports this commitment by setting out who leads on what function.

2. Who takes decisions?

The Council has agreed a constitution which sets out how it operates, how decisions are made and the procedures which are followed.

All functions of the Council that are not reserved as non-executive under the Constitution, and must therefore either be taken or delegated by full council, are executive functions. It is at the Mayor’s discretion to determine how decision-making in relation to executive functions will be exercised. The Mayor may discharge any executive functions himself or may arrange for the discharge of those functions by the Cabinet as a whole, by another member of the Cabinet, or by an officer of the authority.

The Mayor may also arrange for the discharge of those functions by a committee, joint arrangements with another authority or by another authority. These arrangements are described below.

Cabinet Members will make decisions that fall within their portfolio to the extent delegated by the Mayor.

Where a decision falls across more than one portfolio it will be subject to consultation with all relevant Cabinet Members. In such cases, the Mayor will make the final decision.

All decisions taken by the Mayor or Cabinet Members will be taken in public in Cabinet meetings.

Executive Directors identify issues which may require Cabinet Member involvement or decision. These are recorded and considered via regular Cabinet Member briefings with the relevant portfolio holder(s).

The Mayor may identify issues and will consider whether any of these decisions should be taken in consultation with the Cabinet.

All decisions will be taken in accordance with statutory and legal requirements, the Council's constitution, budget and Financial Regulations. Where a decision affects a particular ward, then the Cabinet portfolio holder will, where practicable, consult the relevant ward Member.

This document will be subject to ongoing review by the City Mayor and an up-to-date version maintained on the Council's website.

7. General provisions governing delegations to neighbourhood committees, officers and executive members

- 7.1 The conferring of a delegated power is not intended to and does not in fact supersede or replace any statutory requirement or override any provision of the city council's articles, procurement regulations, financial regulations and any other provision of the constitution.
- 7.2 Accordingly decision makers acting under delegated powers must do so in accordance with any such provision and having due regard to any relevant Council policy or Government guidance.
- 7.3 Reference to any act, order or regulation etc. is deemed to be a reference to any modification or re-enactment thereof.
- 7.4 Where there is a clear and pressing need for a key decision to be taken and it is not reasonably practicable, for any reason, for that decision to be taken by the Mayor or Cabinet Member then each Executive Director shall have authority to take key decisions within their directorate. Before exercising such exceptional authority, the Executive Director must, so far as is practicable, consult with the Monitoring Officer, the Chief Finance Officer, the Mayor, the relevant Cabinet Member and the relevant scrutiny chair. Any decision taken under this exemption will be reported to all members immediately and be subject of a formal report to the Mayor at the next meeting of Cabinet and of the relevant scrutiny committee.
- 7.5 It is recognised that **delegated officers** cannot personally undertake the discharge of every function conferred upon them. **Delegated officers** are accordingly entitled to arrange for the discharge by their subordinate officers of functions allocated to them provided that the **delegated officer** remains responsible for and accountable to the Council for the exercise of his / her delegated powers and puts in place such measures as the delegated officer considers appropriate to ensure that those officers assisting him / her in the discharge of **functions** do so in accordance with the provisions of this constitution and do not exceed the limits of any authorisation made to them by the **delegated officer** to assist him / her in this task.

- 7.6 For the avoidance of doubt, any reference in this part to the discharge of any **functions** includes a reference to the doing of anything which is calculated to facilitate, or is conducive or incidental to, the discharge of those functions.
- 7.7 If any **delegated officer** receives any statutory notice which if contravened would give rise to a risk of prosecution, he / she shall immediately refer it to the Director: Legal and Democratic Services and to the Mayor, who shall be entitled to call for a report on the matter to himself and as necessary, to the Cabinet.
- 7.8 For the avoidance of doubt, an officer seized of the power to make a decision, may, where he / she considers it necessary in the particular circumstances, refer the matter for decision by the Mayor/relevant Cabinet Member;
- 7.9 The Mayor or relevant Cabinet Member may also request an officer not to exercise their delegated power in any particular case and to instead bring a report to Cabinet.
- 7.10 All **delegated officers** and the Mayor should seek and obtain appropriate professional advice from those employed or otherwise engaged by the city council for that purpose in connection with the matter under consideration. Any report made by officers to the Mayor and as necessary, the cabinet should state whether or not such advice has been obtained.
- 7.11 All decisions taken by CIL/s.106 committees and officers must be consistent with the council's budget and policy framework and in accordance with any policy, plan or criteria adopted by the Mayor.

For the purposes of the Council constitution, all of the councillors on an Area Committee comprise a Council committee with delegated power to take certain local decisions on behalf of the council.

2.2 When s.106 monies have been earmarked for a specific project, the only decision relates to when that project should be delivered. Such decisions will be

taken at Service Director level in consultation with the members of the Area Committee.

3. Membership

3.1 The membership of each Area Committee will include all councillors who have been elected for wards in the Area and no other councillors. It is expected that all councillors will attend each meeting of their respective Area Committee.

4. Procedure rules

Meeting arrangements

4.1 Area Committee meetings will normally be held annually, with the option of an additional meeting when required. These meetings will be supported by Democratic Services.

4.2 An Area Committee Chair will be elected at a formal meeting of its members.

4.3 The Area Committee Chair will be elected by overall majority.  - in a meeting following consideration of a report from a Executive Director or his/her nominee.

7.2 An Area Committee may only exercise a function in so far as the function impacts on its own area.

7.3 Area Committees may not make a decision which impacts in a significant way on another Area without first consulting with the committee for that Area. If they cannot secure the agreement of that neighbouring Area Committee, then the matter should

be referred to either the relevant Executive Director or cabinet for decision.

7.4 An Area Committee, or two or more Area Committees jointly, may refer a matter to either the relevant Executive Director or cabinet for a decision.

7.5 The decision-making power of Area Committees is delegated by the Elected Mayor. As such, the Mayor may at any time choose to take a decision normally taken by the Area Committees, or to delegate the power to take that decision to the Cabinet or an Executive Director.

 - (b) outside its approved budget; or
 - (c) outside any relevant policy, plan or criteria approved by Cabinet or with any relevant contractual arrangements; or
 - (d) outside the budget and policy framework; or
 - (e) not in accordance with any relevant procedure rules,
- then the Monitoring Officer or Chief Finance Officer shall refer the matter to Cabinet or Full Council, as appropriate, for consideration at the next available meeting.

7.7 Where a matter has been referred to Cabinet or Full Council under section 7.6, the implementation of the proposal or decision shall be suspended until the matter has been considered by Cabinet and/or Full Council.

7.8 Where a matter has been referred to Cabinet under 7.6 (a) (b) or (c) Cabinet may:

- decide the matter itself; or
- endorse any decision already made; or
- refer the matter back to the Area Committee for determination; and/or
- make any other decision it considers appropriate.

- (a) refer the matter to Full Council for consideration; or
- (b) decide the matter within the budget and policy framework or in accordance with the procedure rules; or
- (c) refer the matter back to the Area Committee for determination within the budget and policy framework, or in accordance with the procedure rules.

7.10 Before deciding any matter in accordance with section 7.6 to 7.8, Cabinet will consider a report from a statutory officer or Executive Director.

Guidance notes

i. The Area Committees are established pursuant to regulation 6 of The Local Authorities (Arrangements for the Discharge of Functions (England) Regulations and

are “area committees” as defined by s.18 Local Government Act 2000.

ii Councillors will be expected to work closely together with other members of their communities to help in the improvement of the area. Whilst Councillors will be expected to take into account these, this should not compromise their independence as Councillors and not constrain them from making decisions that they deem to be in the interests of the wider community.

iii Agendas of meetings will normally include the following items:

- a) Apologies for absence
- b) Approval of minutes from previous meeting.
- c) Declarations of Interest (of councillors)
- d) Public Forum statements (maximum time of 30 minutes)
- e) Reports on proposed decisions for councillors

Sometime prior to the public meeting the Area Committee Chair and other interested parties as appropriate, may meet with relevant officers in private to plan and agree what business is to be transacted during the coming and future meetings.

iv The statements should normally be no longer than one side of A4 paper. Members of the public may then address the meeting (the chair may wish to set a time limit, e.g. a maximum of three minutes). Anyone wishing to submit a statement is expected to contact the Democratic Services Officer named on the agenda and submit their statement by no later than 12.00 noon the working day before the meeting. The Chair has the discretion to allow any member of the public, whether or not they have submitted a written statement, to speak during the meeting.
