Making a complaint about Adult Social Care services

Easy Read
Do you want to make a complaint?

If you are unhappy let us know.

Tell us which service you want to complain about.

You can report abuse on our website at: www.bristol.gov.uk/reportadultabuse.

You can also ask for a social care service on our website.

If you still want to complain, use our online form. www.bristol.gov.uk/complaints
Please answer all the questions.

Tell us as much information as possible. This should include the following four things:

1. Dates, times and places.

2. Names of people and organisations.

3. Documents. You can send these to us from a computer. Each computer file can be up to 5 Megabytes (MB) in size.

4. What you want us to do about it.

We will investigate your complaint and then reply.
Complaints are confidential.

You can ask for an independent advocate to help and make the complaint for you.

You will have to tell us if someone else is making the complaint for you.

Please give your name. If you don’t give us your name we cannot reply to your complaint.

If you don’t want to complain, you can just send us feedback.

We will read your feedback and send it to Quality Assurance. They will check the quality of services but may not reply to you.
