

Knowle West Regeneration Completed Projects

Filwood Green Business Park

- [Filwood Green Business Park](#) opened in spring 2015
- [Filwood Green Business Park website](#)

Oasis Academy School, Marksbury Road

- [Oasis Academy](#) opened in Autumn 2015.

Torpoint Road

- 71 new affordable homes have been completed on a new housing site on Torpoint Road. The site includes a green public space of wildflower meadows, new planting and parkland.

Metro Bus

- The first [MetroBus](#) route opened in 2018. The [m1 route](#) will help to link Knowle West with the rest of the city. The Metro Bus stop will be at Inns Court and Filwood Park.

Eagle House pop-up furniture factory

- This temporary project offered training and short term employment for people living in Knowle West. The project produced 500 pieces of furniture during 2015.

Land to the rear of 45 to 75 Novers Park Road – now called The Bridleway

- The construction of 15 affordable homes on this site was completed by Curo.

Mede Community Centre

- Rebranded as the [Inns Court Community and Family Centre](#). We provided additional land and funding for the new Children's Centre. The Knowle West Children's Centre opened in January 2014.

Cloverdown

- Curo constructed 28 affordable homes at the former Cloverdown Care Home on Kenmare Road. The site also includes four houses designated for affordable social housing. The project was completed in March 2015.

Area Green Space Plan

- A new children's playground was built on Newquay Road in 2015.

Inns Court Park and Play Area

- A new play area delivered at Inns Court is proving popular with its local community. Funding was allocated by the Knowle West Project Board and it opened in summer 2015.
