5. Church Grouping

Please read the Admissions Policy and Guidance Notes on [the Admissions page \(/index.php/admissions\)](/index.php/admissions) of the website very carefully paying particular attention to the oversubscription criteria B and C on page 3 and Note 1 on page 4.

Decide which of the following descriptions come closest to describing you/your child's involvement in the Church or Place of Worship.

Group 1. The child is a member of Group 1, if the Parent/Carer and/or the child are very regular worshippers. This means normal attendance for worship at a Church/Place of Worship is three or more times a month for a minimum of the last three years.

Group 2. The child is a member of Group 2, if the Parent/Carer and/or the child are regular worshippers. This means normal attendance for worship at a Church/Place of Worship is two or more times a month for a minimum of the last two years.

Group 3. The child is a member of Group 3, if the Parent/Carer and/or the child are occasional worshippers. This means normal attendance for worship at a Church/Place of Worship is a minimum of four times in the past year.

'Worship' in the above includes Sunday services, weekday services, Sunday School or other faith development groups on a Sunday or any other day. It does not include worship during normal school activities.

'Minimum of years': Parents/Carers should calculate the minimum number of years' attendance as including the period up to the day before the specified closing date for submission of the Supplementary Form.

In the event that during the period specified for attendance at worship the church or, in relation to those of other faiths, relevant place of worship, has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church, or in relation to those of other faiths, relevant place of worship, or alternative premises have been available for public worship.

Now select ONE of the Groups:
