---

I would like to comment on this plan.

I am not a resident but I represent the not inconsiderable number of people who ride horses in the area of Lawrence Weston, Penpole, and Blaise.

There is a mention of preserving a cycle path in the Henacre area. I would suggest that the path could also be used by horse riders. There is also a bridleway in the area running alongside the motorway, behind St.Bedes school, which needs to be preserved.
