Year KS4 • Lesson 1

We need your help!

We want you to think about drugs and drug use and to answer some questions.

There are no right or wrong answers and don't worry about being able to spell a word or name of a drug correctly.

This questionnaire is completely anonymous. We don't want to know your name, but we do want to know if you are male or female and the year group you are in.

Please put a ring around your year group:

7 8 9 10 11 12 13

Please ring as appropriate – are you:

Male or Female ?
