Bristol City Council - Privacy Statement

What we do with your personal data

Your privacy is important to us and we take great care to protect it.

We collect your personal details when you fill in a form, write a letter or send an email to us.

When you give us your information we will:

1. Use your details to provide other council services when you need them and combine them into one single record containing your basic details and information about your transactions. This will help you because you won't have to repeat the same basic information each time you contact the council. It also helps us to deal with your requests more quickly and tailor our services to meet your needs, by sharing your basic details within the Council. If you wish to opt out of the sharing of your basic details for this purpose, please contact the Data Protection/Freedom of Information Team at foi@bristol.gov.uk or by writing to The Data Protection Officer, Bristol City Council, City Hall, College Green, Bristol, BS1 5TR.

2. When we use authorised contractors or partner agencies (for example other councils or organisations) to deliver a service you have requested we will give them your details. These contractors and organisations use the same security standards as the council and we will only pass them your details with your permission and only when you need a service that they provide on our behalf. They are not allowed to share your details with anyone else for any other purpose.

3. Give your data to the Audit Commission and other bodies so they can use it to match against computer records held by other public bodies. This data is usually your personal information. Data matching allows them to spot potentially fraudulent claims and payments. For more information about this please visit <http://www.bristol.gov.uk/page/council-and-democracy/audit-commission-national-fraud-initiative-nfi-and-other-data-matching>

We may also share your information without asking you if:

- the law says we must,
- there is a risk of serious harm or threat to life.

We will always ask you before we use it for any other reason and would only use it for marketing purposes with your prior consent.

To help answer any questions you may have about how we handle your information we have created a Frequently Asked Questions sheet which can be accessed via the privacy pages on our website www.bristol.gov.uk/page/council-and-democracy/privacy-statement-what-we-do-your-personal-data.

How to see the information we hold about you:

- clarification that your personal data is being processed by the Council,
- a description and copy of the personal data,
- the reasons why the data is being processed,
