

## Application form for a parking permit in the Controlled Parking Zone (CPZ)

Please read all the information below before completing the form.

### Eligibility

- Proof of residence applies to your usual place of abode which must be within the CPZ and **not** a second home.
- You need to be able to show that the residence is a fully self-contained household unit with no shared facilities.
- The property must not have or have access to an off-street parking place, for example, a driveway, garage or underground parking.
- You **must** be the registered keeper of the vehicle as defined on the DVLA vehicle (V5) registration document. If the vehicle is owned by a company you will need to produce the V5 naming the company as the registered keeper together with an official letter from the company naming you as the authorised user of the vehicle.
- Permits are only available for vehicles that have a PLG (Private Light Goods) Road Fund taxation classification.

### Where this does not apply

- It does not apply to student halls of residence, and
- Residential Properties where planning consent for a new development or changes to properties where approved or granted after 13 October 2005.

### How to Apply

- Complete the form attached ensuring all relevant sections and any copies of required proof are supplied. **Do not** send original documents. We reserve the right to request additional information at any stage of the application process.
- Please allow 15 working days for the application to be processed.

### Cost of Permit (payment does not guarantee a permit will be issued)

New/renewal: £250 per year

### Payment Options

- **Cheque** – made payable to Bristol City Council with the permit address written on the back of the cheque. Send the cheque payment with your completed application form.

- **Payment by debit/credit card or cash** – you can make payment by this method once your application has been approved and you have been issued with a **payment reference number**.

#### How it works:

- Only **one** permit will be on issue per household at any one time. However, an additional vehicle registration number can be added. The vehicle not displaying the permit would have to comply with the parking regulation in force at the time of parking.
- **Waiting lists:** The council has a duty to ensure road space is managed efficiently; this includes the management of parked vehicles. In areas of high demand for parking we reserve the right to place applicants on a waiting list.
- Permits are valid for a maximum 12 month period.
- The permit must be clearly displayed in the front windscreen of the vehicle.
- The permit is valid at all times Monday to Sunday in the marked parking bays only, in the streets that are indicated on the permit.
- Failure to display the permit; use in streets/car parks not listed on the permit or in parking bays/areas that have been suspended, may result in the issuing of a Penalty Charge Notice and possible removal of the vehicle. **The permit does not guarantee a space nor allow parking on single yellow lines, during their hours of operation, or on double yellow lines, at any time.**
- **Renewal:** Renewal reminders are not sent out so please submit a new form 4 weeks before your permit expires. Forms available from [www.bristol.gov.uk/RPS](http://www.bristol.gov.uk/RPS)
- **Replacements:** If you need a replacement permit please contact Parking Services. There is a £5 charge to replace lost or damaged permits.
- **Change of Address:** A new application must be made. A new permit will be issued only on surrender of the existing permit and there being available parking spaces in the new area.
- **Refunds:** Refunds can only be given for full remaining months. To claim a refund the permit must be returned with details of where we should send the refund to.
- **Returning Permits:** If you move out of the area you must return the permit.

**THESE NOTES ARE FOR GUIDANCE ONLY.** Any point of clarification will be made by reference to the relevant Traffic Regulation Order. If you want to see a copy please write to Parking Services, Permits Team (3125) PO Box 3399, Bristol BS1 9NE or use the contact form at <https://www.bristol.gov.uk/parking/contact-residents-parking>
