List of objections/BCC's observations

No	Objector name	BCC observations
1	[REDACTED]	[REDACTED]
2	Cotham School	<p>The objection is on two alternate grounds:</p> <ol style="list-style-type: none"> 1. If the relevant period is 1965 – 1985, there is insufficient evidence that the way subsists; and 2. If the relevant period is 1998-2018, the tests for presumed dedication have not been satisfied. <p>As the OMA's resolution was that the relevant period for consideration was 1965-1985, the latter period of 1998-2018 is not relevant.</p> <p>In relation to the relevant period of 1965-1985, the objector provided no analysis of the evidence on which the resolution was made and/or gave any reasons why there was insufficient evidence to reach the conclusion that on the balance of probabilities the ways subsist. In addition, no evidence has been put forward to rebut the presumption of dedication and/or alter the balance of probabilities that the way subsists.</p>
