Introduction

The HomeChoice Bristol service has changed

The HomeChoice Bristol website has been replaced with a new online service called MyBristolHousing. MyBristolHousing is already available for Bristol City Council tenants but is now open to social housing applicants.

What we've changed

MyBristolHousing brings key housing services together in one place.

If you're a **resident** who's looking for social housing accommodation, you'll be able to:

- check if you're eligible
- complete a rehousing application form.

If you're an **applicant**, you'll be able to:

- update your existing application
- view properties being advertised
- bid for properties and view offers made to you.

If you become a **Bristol City Council tenant**, you'll now also be able to:

- check your rent account, including payments and balances
- view your gas safety certificate
- contact the housing team directly.

Note: The screenshots in this guide are from a test version of the website. The live version may look slightly different.

Conventions in this guide

Important information

Warning – make sure you follow this guidance

Information about Bristol City Council (BCC) processes or best practice

Registration process

The registration guidance is aimed at **main applicants**. The details used to create an account on MyBristolHousing must be that of the main applicant on HomeChoice.

If there is someone supporting you with the registration process, they need to make sure they use the applicant's details.

Stage 1 - Create a Bristol Account

You need to have a Bristol Account before you can start using MyBristolHousing. The Bristol Account is a system we use for many other council services such as waste and street cleaning.

To fully register on MyBristolHousing, you'll need:

1. An email address
2. Your mobile number
3. Your Application Reference number.

You may have received an email or text message with this number. If you have not, call us on 0117 922 2200 and we'll provide it. Without an Application Reference, you'll be able to register but not connect your HomeChoice application.

1. In a web browser go to the [MyBristolHousing sign in or register page](#).

If you already have a Bristol Account, enter your **email address** and **password** and select **Sign in**.

It may be that an error message advises that you already have a Bristol Account. If this is the case, you'll need to reset your password. To do this, enter your email address and select the link **I've forgotten my password**.

If you do not get an error message, proceed to step 2.

Sign in or create a Bristol Council Account

Create an account to access our services online. You'll be able to view your payments and keep track of your history of your contact.

Sign in or create an account with your email

Email Address

Password

 [I've forgotten my password](#)

[Create an account](#)

How to create an account

Create an account using an email address or social media account. If you use a social media account, you'll need access to the email connected to that account.

2. Select **Create an account**.
3. Enter your **email address** and select **Send verification code**.

Create an account

Enter your email address and click "Send verification code".

Email address

4. You'll receive an email with a **Verification code**.

5. Go back to the Bristol Account creation page and enter the **Verification code** you've received in the email. Select **Verify code**.

Create an account

Enter the verification code sent to your email address, then click Verify code.

Verification code

[Send new code](#)

6. Now enter your **first name**, **last name** and if desired, your **primary phone number** and select **Next**.

If you're supporting someone with the registration process, the first name, last name and the primary phone number must be that of the applicant.

Create an account

Your details

Your first name

Your last name

Your primary phone (optional)

Your secondary phone (optional)

7. Now create your **password**. Your password must be between 8 and 16 characters long and contain at least 3 of the following:
- lowercase characters
 - uppercase characters
 - digits (0-9)
 - one or more of the following symbols: @ # \$ % ^ & * - _ + = [] { } | \ : ' , ? / ` ~ " () ; .

and select **Finish**.

Create an account

Your password

Your password must be between 8 and 16 characters long and contain at least 3 of the following:

- lowercase characters (a-z)
- uppercase characters (A-Z)
- digits (0-9)
- one or more of the following symbols:
@ # \$ % ^ & * _ + = [] { } \ | ' , / ~ - * () ; .

New password

Confirm new password

Your data

Read our [privacy statement](#) to see what we do with your information.

Finish >

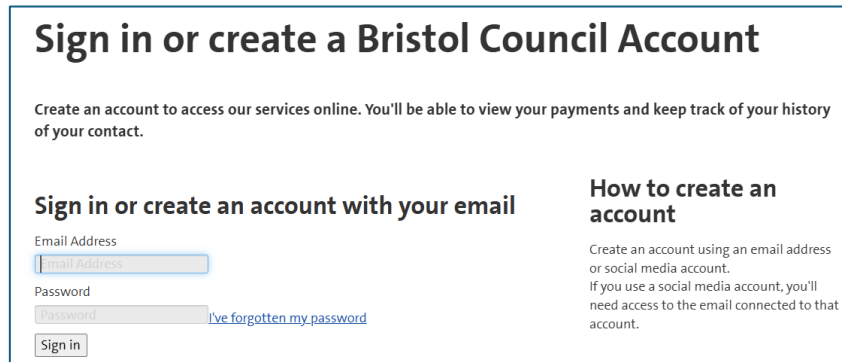

Make sure you pick a password that you'll remember

You'll need to enter your email and password every time you log in. If you forget your password, you'll have to set up a new one.

Stage 2 - Register on MyBristolHousing

1. In a web browser go to the [MyBristolHousing](#) sign in or register page.
2. Enter your **email address** and **password** for your Bristol Account. Then select Sign in.

Sign in or create a Bristol Council Account

Create an account to access our services online. You'll be able to view your payments and keep track of your history of your contact.

Sign in or create an account with your email

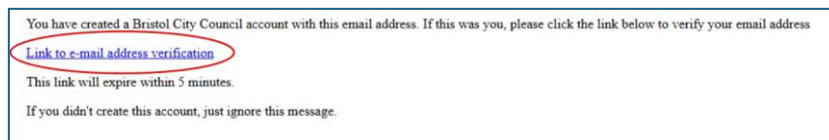

Email Address

Password
 [I've forgotten my password](#)

How to create an account

Create an account using an email address or social media account. If you use a social media account, you'll need access to the email connected to that account.

3. You'll receive an email with a confirmation link. Select the link to **email address verification** in the email.

If the email doesn't appear in your inbox, check your Junk mail folder.

If the link doesn't work, copy and paste the link into a web browser.

The verification link is only valid for 5 minutes. If the link expires, you'll need to sign in again.

For this next step, you'll need to have access to a **mobile phone** so we can send you a **One-Time Passcode**.

4. Enter your **title, first name, last name, mobile phone number** and **choose if you want to receive emails from us**. This is recommended as it allows us to send you important updates about your account.

Now select **Send one time passcode** (OTP).

To complete your registration you must enter your name, mobile phone number and contact preferences

Complete registration

Title

First name

Last name

We may send communications relating to your account and activity on the application. If you wish to opt-in then please select below options

Allow email communication

Receive emails related to your account

Access community forums

The Community Forum is an online "meeting place" that is used to engage with others to debate, share knowledge and communicate.

Mobile phone number

[Send one time passcode \(OTP\)](#)

- You'll then be asked to verify your mobile number by entering the 4-digit code that was sent to your phone by text message.

Verify mobile number

A 4 digit code has been sent to the mobile number specified. Please enter the code to verify your mobile number

Code not received? [Send again](#)

- You can now complete your registration and choose whether you want to connect your existing HomeChoice application with your new MyBristolHousing account. You'll need your Application Reference number to complete this step.

Complete registration

Do you have any connections with us? This could be an application, tenancy (including former), payment reference or a person reference

Yes No

- If you know your Application Reference number, select **Yes** and follow the next step. Otherwise select **No**.

You can connect later if you don't have the reference number you need by going to the User Profile area.

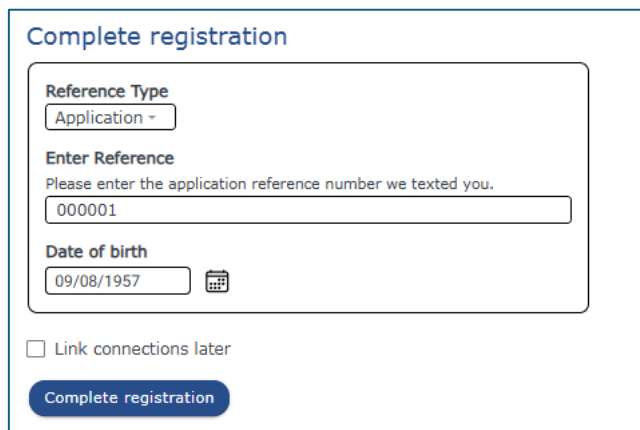

You may have received an **email** or **text message** from us with a **unique reference number**, depending on your connection with us.

Enter the number and if you're an **existing applicant**, select **Application Ref.**

If you have not, call us on 0117 922 2200 and we'll provide it.

6. Select the **reference type** you want to use to connect with. Enter the **reference** and your **date of birth** using the format DD/MM/YYYY (or use the date picker). Select **Save**.

The system will run some security checks to ensure that your **title** such as Mr or Mrs, **first name, last name, date of birth** and **reference number** match the information on our housing management system.

If the information is missing or doesn't match the information on our housing management system, you'll get an error message.

Please contact us on 0117 922 2400 if you have problems with this.

If you've already registered on the new system, you might see a message saying: **'User profile exists with the same reference.'**

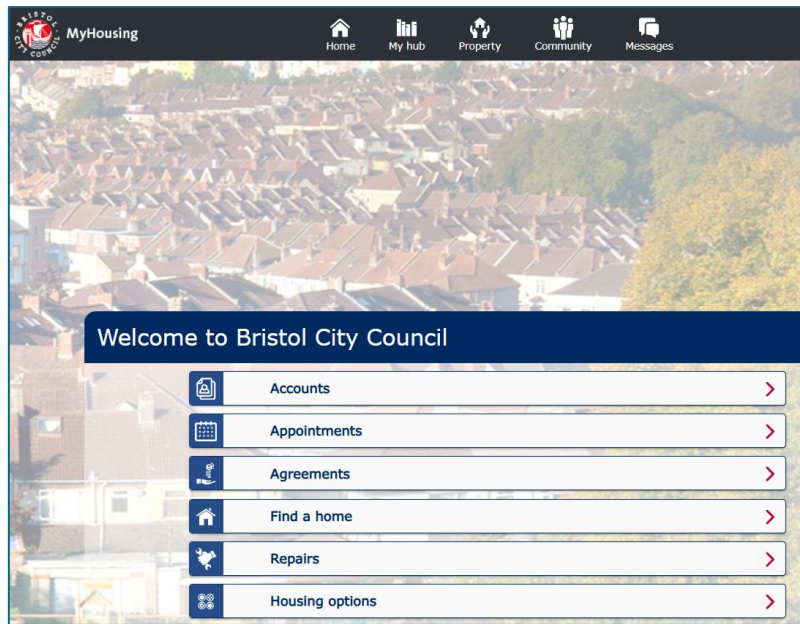

This means you may have used a different email address before.

Try logging out and signing back in using the email you used last time.

If this doesn't work, reset your password.

8. You can now navigate to the different sections of your account using the menu in the banner at the top or on your home page.

If you're using a mobile phone, the banner displayed at the top of the page will show at the bottom of your screen.

If you decide not to connect your online account at this stage or you do not have an active rehousing application, only the **Find a home**, **Links**, **Housing Options** and **FAQs links** will be available.

How to connect after you've registered

If you already have an **active** HomeChoice Bristol application but don't know your Application Reference number, you'll be able to create a connection after you have registered by going to the user profile area.

You'll only be able to connect if the **first name, last name, date of birth** and **reference number** you entered **match the information on your application form** on our housing management system.

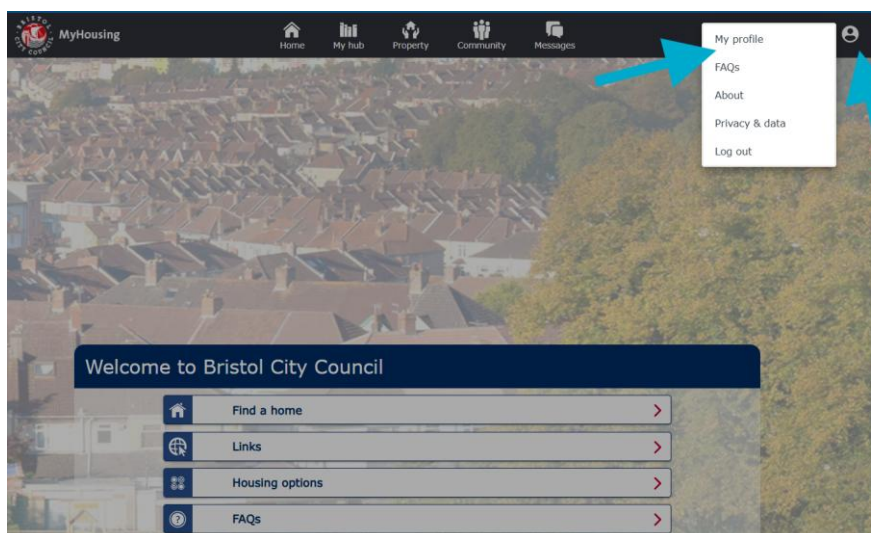

If the information is **missing** or doesn't match the information on our housing management system, **you'll get an error message**.

You can call us on 0117 922 2400 if you need help to resolve this.

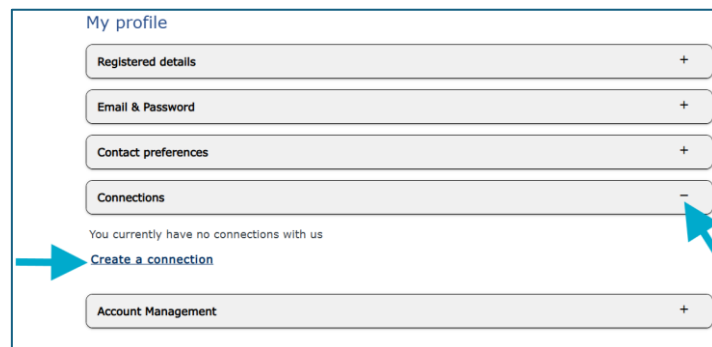

If you don't have an active rehousing application with Bristol City Council, this step doesn't apply to you.

1. First, select the **person icon** (which looks like a head and shoulders in a white circle) on the top right of the screen and then select **My profile** from the dropdown menu.

Open the **Connections** section by selecting the plus symbol on the right of the bar it's in.

Select the **Create a connection** link.

The screenshot shows a 'My profile' page with several sections: 'Registered details', 'Email & Password', 'Contact preferences', 'Connections', and 'Account Management'. The 'Connections' section is expanded, showing 'You currently have no connections with us' and a blue link labeled 'Create a connection'. A blue arrow points to this link from the left. Another blue arrow points to a minus sign in the 'Connections' header from the right.

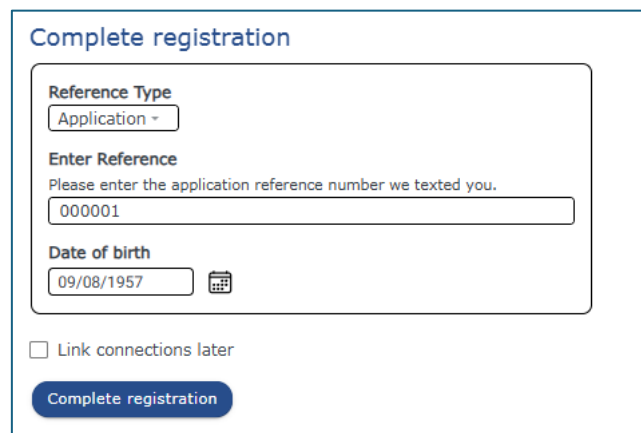

You may have received an **email** or **text message** from us with a **unique application reference number**, depending on your connection with us.

If you have not, call us on 0117 922 2400 and we'll provide it.

Select **Application** from the Reference Type dropdown menu to continue.

2. Select the **reference type** you want to use to connect with. Enter the **reference** and **your date of birth** using the format DD/MM/YYYY (or use the date picker). Select **Save**.

The screenshot shows a 'Complete registration' form. It has three main sections: 'Reference Type' with a dropdown menu set to 'Application'; 'Enter Reference' with a text input field containing '000001' and a prompt 'Please enter the application reference number we texted you.'; and 'Date of birth' with a date input field showing '09/08/1957' and a calendar icon. Below these sections is a checkbox labeled 'Link connections later' which is unchecked, and a blue 'Complete registration' button.

The image shows a 'My profile' page with several expandable sections. From top to bottom, the sections are: 'Registered details' with a '+' icon; 'Email & Password' with a '+' icon; 'Contact preferences' with a '+' icon; 'Connections' with a '-' icon; 'Connection Status' which is currently expanded to show 'Connected'; and 'Account Management' with a '+' icon. The 'Connection Status' section is highlighted with a blue border.

Further information about creating a connection

You need to be on our system to be able to connect

Having a HomeChoice application or being a current or former Bristol City Council tenant is a connection.

Your data is important

During the connection process, we check 3 pieces of personal data against our records:

- first name and last name
- date of birth
- reference number (such as an Application Reference).

Name changes

If your name is different from what we have (for example, you've changed your name), you'll need to give us proof, and we'll then update our system. You'll need to call us on 0117 922 2400 to do this.

Names with apostrophes (such as O'Connor) and double-barrelled names

You'll need to type your name exactly how it would appear in our records and watch out for extra spaces that might cause errors. Call us on 0117 922 2400 if you need help with this.

Home page menu

If you're using a computer, the menu will be at the top of your screen. If you're using a smartphone, the menu bar will be at the bottom.

 Home	<p>Home will take you back to the homepage.</p>
 My hub	<p>My Hub shows you the agreements and accounts you have with us. Some functions such as Surveys and Appointments will be added later.</p>
 Property	<p>Property gives you access to find property adverts.</p>
 Community	<p>Community has links to other online resources such as our housing pages, a benefit calculator and Money Helper.</p>
 Messages	<p>The Messages section is not available yet.</p>
 	<p>Notifications - we may send you notifications from time to time. Unread notifications will be flagged here.</p>
	<p>My Profile has the following sections:</p> <p>Registered details – the details you used to create your account. If you change your mobile number, you'll be sent a new One Time Password to validate it.</p> <p>FAQs – Frequently Asked Questions</p> <p>Email and Password – this shows the information you used to create your account.</p> <p>Contact Preference – we recommend you enable emails. Community forums are not available.</p> <p>Connections – shows whether this account is connected to one you already had.</p> <p>Account Management - you can delete your online account using the Delete my Account button</p>

Links

The **Community** menu item has several links to useful information on the Bristol City Council website or from other sources. Select Links and then the relevant link (blue text underlined)

Find out if you can apply for council housing

1. Select the **Housing options** from the Property menu at the top of the screen or on the main menu.

2. Select the **Generate housing options** link and choose 'HomeChoice Bristol prequalification checks' from the **Advice Reason** dropdown menu to open the questionnaire. Fill in the answers accurately and select **Save**.

3. You'll be advised if you can apply for social housing based on your answers. If you receive an approval message, you can choose to fill in an application form.

If you don't have a rehousing application yet:

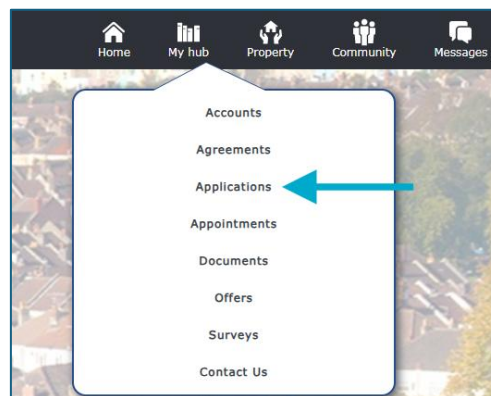

- Select the **3-dot menu** on the grey bar that shows your housing option result.
- Select **Create a Housing application**.

If you already have an application and want to review it:

- Select the **My hub** icon at the top of the screen.
- Go to **Applications**.
- Select the **3-dot menu** and choose **Change of circumstance** to update your form.

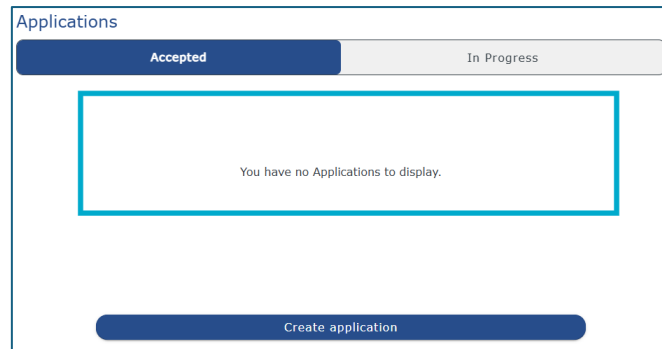

Start a housing application

1. You can create a housing application on the Housing options area of the portal or directly on the **Applications** option in **My hub** menu.

2. If you already have an active application, it will be displayed in the middle of the screen. The example below shows an account without an active rehousing application.

Select **Create application**.

If you're connected but cannot see your existing application, refresh the screen you're on for the data to appear.

1. Google Chrome

- Windows/Linux: Press **Ctrl + R** or **F5**
- Mac: Press **Command (⌘) + R**

2. Mozilla Firefox

- Windows/Linux: Press **Ctrl + R** or **F5**
- Mac: Press **Command (⌘) + R**

3. Microsoft Edge

- Windows/Linux: Press **Ctrl + R** or **F5**
- Mac: Press **Command (⌘) + R**

4. Safari (Mac)

- Refresh: **Command (⌘) + R**

5. Mobile browsers

- iOS / Android: Usually pull down the page (swipe down) to refresh.

3. You'll be required to complete the **Declaration** before you start answering the questions.

When you're in the process of filling in an application, we recommend you select **Save and Exit** after each page to make sure your responses are saved.

Joint and Household members answers will only save once the entire section has been completed.

You'll find your saved application in this section in **In Progress**.

If you're an applicant with an application that has been or is in the process of being assessed by the HomeChoice Bristol team, it will show in the section **Accepted**.

If you have never applied, you'll see the message '**You have no Applications to display**' as above.

Finish your housing application

1. You'll find your partly completed application in the **In Progress** section. Select the **3-dot menu**, and **Complete application** option.

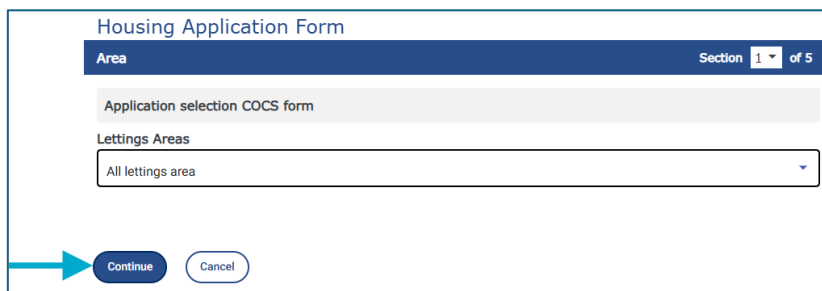

Make changes to your application

2. If you need to make changes to your application, select the 3-dot menu and then **Change of circumstance**.

3. Review and update your application in the order it's presented. Select the **Continue** button to move to the next page.

You will not be able to go to the next page until you answer all the mandatory questions.

Look out for small red text under the questions, this shows what you must fill in.

Are you a current Bristol City Council tenant or Housing Association tenant in Bristol?

No Yes

Are you a current Bristol City Council tenant or Housing Association tenant in Bristol? is required

4. Once you've updated your details, select the **Submit Application** button.

Application statuses

Your application will show different statuses. Here's what they mean:

- **SAVED** – You have started an application but not finished it.
- **PENDING** – You sent your application. We are checking it.
- **COMPLETED** – We checked your application. It is waiting to be assessed.
- **CURRENT** – Your application is checked and assessed. You can bid now.
- **REJECTED** – Your application was checked and assessed but not accepted.

Find a home and view property adverts

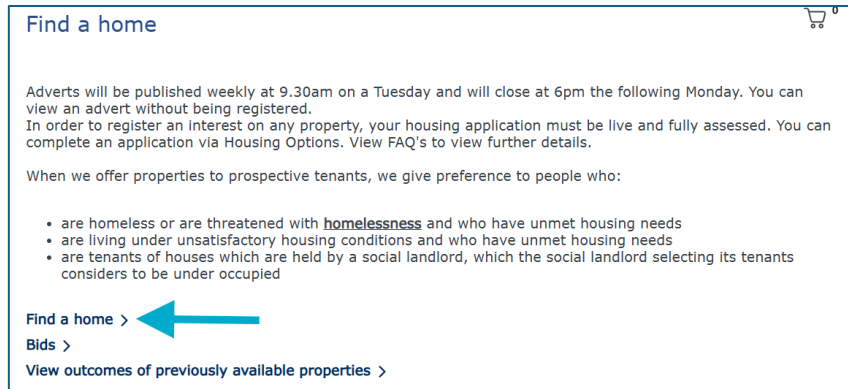

You now need an account to see homes available for rent.

Before, you could look at homes without logging in. Now, to see the homes available to rent, you must create and log in to a MyBristolHousing account.

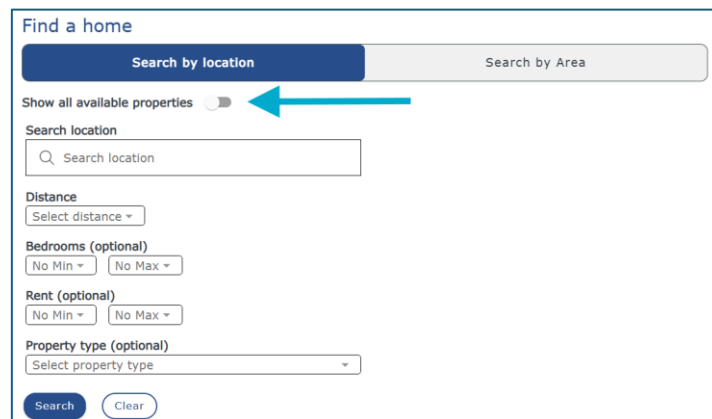

1. Once you've registered and logged in, select the **Find a home** option, available from the **main menu** above or located under **Property** on the top menu.

1. Select **Find a home** to search for a property.

2. The property adverts search engine opens.

✓ We recommend you select the **Show all available properties** toggle switch to view the full list of properties available and open for bids.

Once the property list is displayed, you'll be able to sort the list using a number of criteria such as highest / lowest rent or older / newest advert posted.

- Once you've selected the **toggle switch**, it will move to the right and all the filter options displayed before will disappear. Select **Search**.

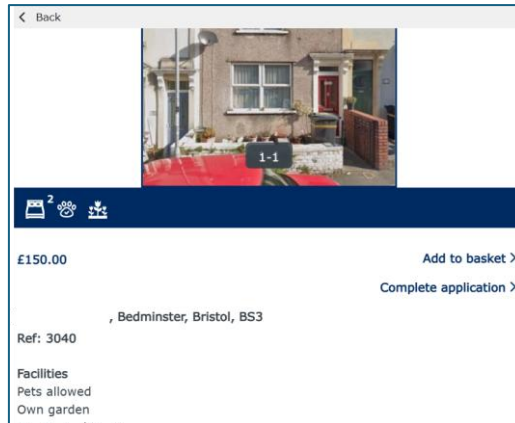

- Use the **Sort By** dropdown command to organise the adverts by different preference order.

The property listing will provide you with **key information** about the property such as weekly rent, address, property size and bidding dates.

Icons under the main photo indicate such things as the number of photos available for the property, the number of bedrooms, whether pets are allowed or whether the property has a garden.

- Select anywhere on the advert to show more **property details**. There, you'll find more information about charges, the landlord, rent costs, heating and other useful information.

Who can apply for a home?

You can only bid for a property if you have an active HomeChoice Bristol application. The website will let you know if you can apply.

To apply, you must:

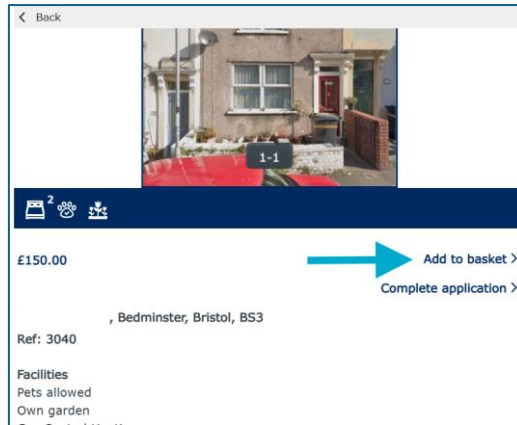

- live in the UK
- not be in prison
- have an immigration status that allows you to get public help
- be 16 or older.

If you don't meet these rules, your application will be rejected.

If you meet them, select **Complete application** to start your form.

Add a property to your basket

1. If you'd like to place a bid for a property, select **Add to basket**.

We recommend only adding properties to your basket that suit your assessed needs.

This will reduce error messages and make the process quicker and easier for you.

If you're not eligible to bid for a property, the system will display a **message** saying, **'You are not eligible to bid for this property'**.

2. Each property you select will be added to the basket. To review your choices and submit your bids, select the **basket** icon.

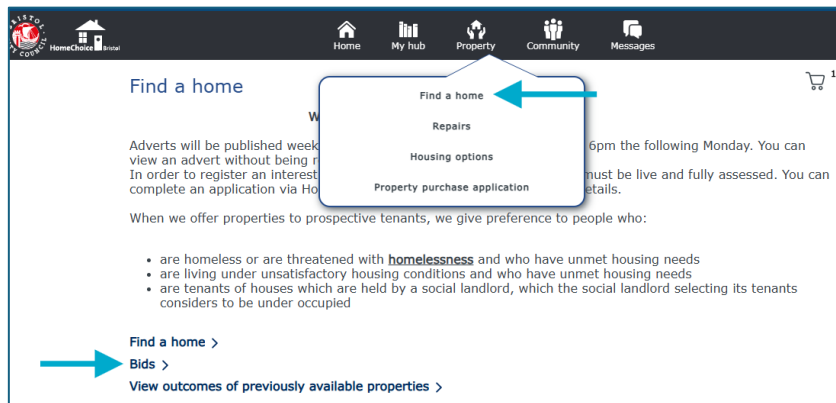

Place a bid for a property

1. To place a bid, select the **3-dot menu** and then the **Submit a bid** option. If you're no longer interested in bidding for the property, then use the other option available: **Remove from basket**.

- Once you've submitted a bid, the property will be removed from the basket and will appear in the **Bids** section in **Find a Home**.

You'll also find a link showing you the **outcomes of previously available properties**.

- You'll be able to view the property until it has been offered to an applicant.

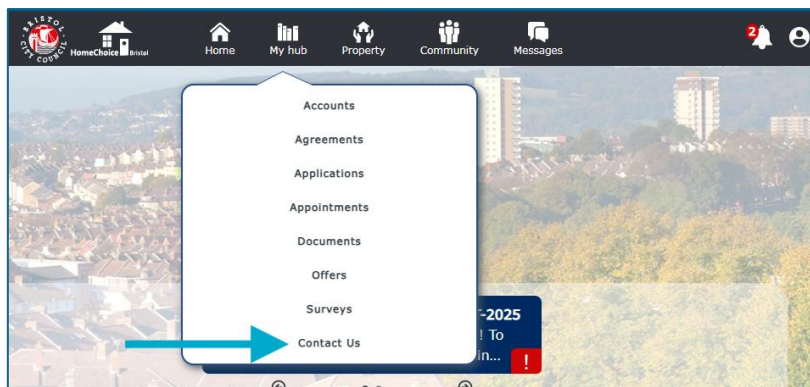

i You can only bid for 3 properties in each cycle.

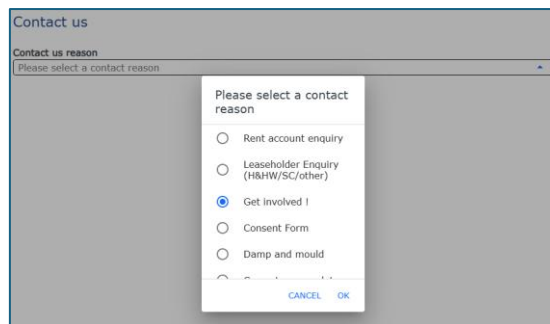

Contact us

- You can get in touch with the housing service by using the **Contact Us** option, located under **My hub**.

Options are currently limited, but we're looking to add more in the future.

- To access our contact forms, go to **My hub** and select **Contact us**. Select a reason from the list displayed and select **OK**.

- Complete the form and select the **Submit** button. Once submitted, the form will appear in the main Contact us section.
