St Jude 's – Cusbooneysiinta Hawlgelinta Digniinta Dabka

Deggenaha qaaliga ah,

Subaxdii Arbacada 4 March 2026, nidaamka alaarmiga dabka ee lagu rakibay Charlton House, Haviland House, John Cozens House, iyo Langton House ayaa la hawlgeliyay. Mahadsanid qof walba oo si degdeg ah uga baxay digniinta. Avon Fire & Rescue Service ayaa goob joog ka ahaa waxayna xaqiijiyeen in alaarmigu uu dhab ahaa, balse dab ma jirin, cidna waxyeello ma gaarin.

Haddii alaarmiga dabka la shido, waxaa lagugu wargelin doonaa siren-yada ka imanaya sounders-ka (tani waa saldhigga wareega ee lagu rakibay hoolka gurigaaga). Waa inaad arrintan u aragtaa xaalad degdeg ah, degganaan, oo si degdeg ah uga baxda dhismaha. Marka alaarmiga la shido, Xakamaynta Degdegga ah ee Golaha Bristol City ayaa la ogeysiin doonaa, Avon Fire & Rescue-na way ka soo qayb geli doontaa.

Meesha dabka lagu isugu yimaado waa banaanka Tyndall House (eeg sawirka hoose):

Dhammaan qalabka kala duwan ee ka kooban nidaamka digniinta dabka ee xaafaddaada, sida qalabka ogaanshaha kulaylka, sounders, iyo sprinklers goobo qaar, ayaa si joogto ah isugu xiran oo si joogto ah isula xiriira iyo xarun kormeer dhexe. Tani waxay ka dhigan tahay

haddii dab la ogaado meesha uu ku sugan yahay, haddii ay jiraan dhibaatooyin nidaamka si fudud loo heli karo lana xallin karo.

Ma **aha** inaad ka saarto ama dhaawacdo alaarmiga ama sanduuqa abuurta dhawaaqa alaarmiga. Faragelinta qalabka waxay saameyn ku yeelan kartaa xaaladda nidaamka oo dhan. Qof lahelay mas'uul ka ah waxaa laga yaabaa inuu daboolo kharashka beddelka iyo/ama uu martigeliyo tallaabo fulinta kireystaha.

Haddii aad qabto su'aalo ama aad rabto inaad la hadasho xubin ka tirsan kooxda oo ku saabsan habka daadgureynta xaafaddaada, fadlan email u dir stjudes@bristol.gov.uk, wac 01179224113 oo dooro ikhtiyaarka toddobaad ama la hadal Sarkaalkaaga Hoyga.

Si daacad ah,

Richard Griffin
