Privacy Notice Bristol City Council

We get most of this information from you and from what we learn about you through your use of our services, but we may also get some information about you from:

- Maternity support services
- Other healthcare providers i.e. GP, hospital
- NHS Health check provider
- Our commissioned healthcare providers

How do we use your personal information?

We will use this information to enable Bristol City Council and our commissioned providers to provide you with the smoking cessation service that you have asked for or been referred for. We use the data to check your eligibility for the services we offer and to monitor the effectiveness of these services.

Who else might we share your personal information with?

Sometimes we may need to share your information, but we will only do so where we have a valid legal basis to share data. We will only share the minimum information for each circumstance. We may share some of your personal information with one or more of the following:

- Maternity support services
- Pharmacies
- GPs
- Family Nurse Practitioner Team
- Department of Health and Social Care or third parties acting on their behalf – only anonymised data will be shared to meet our reporting obligations
- Neighbouring local authority smoking cessation services – if we have received your referral but you do not live in Bristol, we will share your contact details with your local authority's smoking cessation service so you can receive the support that you have asked for

We may also use data processors to support our activities, for example by providing systems we need or delivering services on our behalf. These processors are:

- Bionical Solutions. This is the company who developed and own the 'Quit Manager' software that we use to manage your treatment and store your information on. Bionical only have access to anonymised data.
- Solutions 4 Health. This is the company Bristol City Council has commissioned to provide the smoking cessation service.
