3. Site Description

A busy vibrant park. Southern end of this park is quite flat and open and surrounded by local amenities, a church, tennis club and bowling green. It also has a children's playground with a regular coffee van adjacent. A shared cycle/pedestrian park to the north of the site descends steeply through a more wooded area with a stream passing underneath, the path continues steeply up back to the road, while the green space continues in a large bowl to the northwest surrounded by trees and containing a small orchard. There is a privately occupied old farm to northeast of the site behind the children's playground. It is used as a route to school.

3.1 The event space

Local village green. Flat space in south section. Sloping in north section with some steep banks. Find a larger online version of this site on our map of [Bristol Outdoor Events Areas](#)

4. Ground conditions

Can get wet throughout

5. Event Areas and Capacities

5.1 Event Area

6441 Sq M

6. Accessibility

Event organisers are responsible for making their events as accessible as possible.

Redland Green is accessible for wheelchairs.

7. Access and Parking

7.1 Vehicle Access

Parking on residential streets only. Vehicle access via Redland Green Road to the south, this is open access (no gates). Vehicle access gate on Cossins Road to the north.

7.2 Parking

There is no dedicated car park. Find out [where to park in Bristol](#).

7.3 Pedestrian Access

There are multiple pedestrian access points that can be found here [Bristol Outdoor Events Areas](#)

7.4 Traffic Management

A traffic management plan will need to be agreed with Bristol City Council and in consultation with the Safety Advisory Group

8. Transport links

- 1.1 miles to Clifton Down train station.
- 2.0 miles to Bristol bus station.

Find more transport options and timings on the [travelWEST website](#).

9. Site Facilities

- children's playground with equipment for younger children
- bowling club
- private tennis club
- pedestrian and cycling routes connecting Redland Green and Westbury Park

9.1 Permanent Infrastructure

- Play park.
- Sculptures

9.2 Power

Please use our [power map](#) to find out what power is available at this site.

Event organisers should prioritise means of power higher in the [power hierarchy](#).

9.3 Water

Use our [water map](#) to see what water resources are available at this site.

You can also find further details in our Water Guidance.

9.4 Toilets

There are no toilets on this site, so events would have to arrange temporary toilets (Essential when capacity is over 50).

To calculate additional infrastructure facilities required for your event please refer to [The Purple Guide](#) for guidance on minimum provision.

10. Waste management

- Event organisers should prioritise methods higher in the [waste hierarchy](#)
- The waste management plan must include the surrounding area and key ingress and egress routes
- The event organisers are responsible for doing a little pick after the event and also disposing of all of this waste.
- The fixed parks waste bins onsite are not for event-use and should not be factored into the waste management plan.

11. Restrictions on the site

3.5T restriction

12. Nature Conservation

Nature Conservation Designations

No designations for the site.

Notable Habitats

The Events area includes open grassland, most of which is cut regularly, although some areas around the edges may be left to grow longer for nature. There are also trees and scrub habitats located across the site.

No activities should be permitted which cause damage to these habitats. Measures will need to be taken to avoid impacts to the wider site as a result of increased footfall or use of vehicles and machinery.

Notable Species

General potential for nesting birds across the site. Potential for bats to be using the site, including roosts being present in trees and structures within or adjacent to the site. Potential for badger setts to be present within areas of denser scrub.

Measures must be taken to ensure there are no direct impacts to these species such as via damage to habitats, or indirect impacts such as via disturbance from artificial lighting, noise and vibration, litter and pollution impacts.

13. Hazards

Busy especially during school arrival and departure times. Steep paths, some fast-moving cyclists.
Vehicle access to farmhouse.

14. Consultation and stakeholder engagement

Out of courtesy, it is recommended that event organisers contact local businesses and residents to discuss their event and the impact it may have.

For larger events, it is recommended that organisers contact all surrounding businesses to inform them about the event as well as any local residents as stipulated by the city council's Noise Pollution Team.

15. Fees and charges

15.1 Hire Fee

A site fee and application fee are required for the use of Bristol Council land. Please ensure you are fully aware of all relevant costs on submission of your application.

15.2 Site Bonds

A site bond may be held in consideration for damages with the amount calculated depending on the size of the event.

Land reinstatement may also be required within a week post-event (weather dependent) and a contractor is to be agreed prior to the event.
