Community Consultation:
Tree planting in De Clifford Road, and Vincent Close, Lawrence Weston

One Tree Per Child have designed a draft tree planting plan for 47 new trees for De Clifford Road, and Vincent Close in Lawrence Weston.

We are now undertaking a community consultation, please see map overleaf. Posters will be up at the site and can also be viewed at **www.bristol.gov.uk/onetreeperchild.**

Suitable tree planting locations have been selected throughout the area with **"the right tree in the right place"** principle, carefully considering each tree planting location and appropriate tree type. Tree planting is planned for this planting season by the end of the Spring.

The Benefits of new trees for Bristol residents

Environment	Trees help reduce pollution by cleaning our city air.
Economy	Property values tend to be higher in streets with trees.
Road safety	Tree-lined streets tend to slow traffic.
Wellbeing	Trees are good for our mental health.
Wildlife	Trees bring nature into the city.
