

## Community Consultation: Tree planting in Elderberry Walk Open Space, Brentry.

One Tree Per Child have designed a draft tree planting plan for 12 new trees for in Elderberry Walk Open Space in Brentry.

We are now undertaking a community consultation, please see map overleaf. Posters will be up at the site and can also be viewed at [www.bristol.gov.uk/onetreeperchild](http://www.bristol.gov.uk/onetreeperchild).

Suitable tree planting locations have been selected throughout the area with “**the right tree in the right place**” principle, carefully considering each tree planting location and appropriate tree type. Tree planting is planned for this planting season by the end of the Spring.

### The Benefits of new trees for Bristol residents

|             |                                                          |
|-------------|----------------------------------------------------------|
| Environment | Trees help reduce pollution by cleaning our city air.    |
| Economy     | Property values tend to be higher in streets with trees. |
| Road safety | Tree-lined streets tend to slow traffic.                 |
| Wellbeing   | Trees are good for our mental health.                    |
| Wildlife    | Trees bring nature into the city.                        |

If you would like to join us to plant a tree,  
please see [www.bristol.gov.uk/onetreeperchild](http://www.bristol.gov.uk/onetreeperchild)
