• Personal best

Best personal performances
came from Millfield schoolboy
Paul Glandfield (11ft. 3in.) in the
pole vault and the Keynsham girl
Caroline Veale who finished third
in her half-mile heat and seventh
in the final.

She has only been training
seriously for three months but
clocked 2min. 27.1sec. and on
Tuesday evening, running for
Bristol A.C. in inter-club events,
was an impressive winner of the
ladies' 440 yards with a best time
of 61.5sec.

Shortly afterwards she finished
third in a 220-yard race with a
time of 27.2sec.—a good indication
that she has the potential to con-
siderably improve her half-mile
times.

Gloucestershire's team at
Hendon were headed by
national champion David Smale,
who won the intermediate
440 yards in 51 seconds after the
heat in 51.7sec and semi-final
51.2sec.

Nigel Sherlock, with a javelin
throw of almost 187ft., was third
in the senior event and M. Har-
field, of Henbury, fourth in the
junior javelin with just over 150ft.

good lead.

Jacky Williams, of Portway, is
also to be congratulated on being
one of the victorious English
junior free-style team.

HEMBROW SNATCHES WIN FOR

Bristol Central and Taunton
met in the semi-final of the
Western Counties Junior Team
Swimming Championship at
Broad Weir Baths for the right
to oppose the winners of the
Swindon v. Cheltenham tie in
the final at Knightstone on
Monday, September 7.

What a struggle this semi-final
proved to be! Andy Hunt gave
his side the lead at the end of the
first leg and 14-year-old Chris Nott
increased it. John Williams, on
the third leg, pulled the holders,
Central, further ahead, to send
Michael Sutton off with a six-yard
lead over Dave Hembrow.

Hembrow gradually overhauled
Sutton turning for the last 25
yards some two yards only behind,
and, with a fine effort, got the
winning touch for the visitors by

a very much stronger game than
against Cheltenham, beating the
seaside by 6 goals to 1, Murray being
the star.

Bristol Grammar School staged
their annual gala at Bristol South
Baths on Monday last, as usual the
feature being the swim over by the
majority of pupils attending the
school, each one of them swimming
a length of the bath irrespective of
style or stroke to score a point for
his particular house.

As expected, Michael Sutton was
the outstanding performer through-
out the competitive period.
