# Community Consultation:
# Tree planting in Kings Head Lane Park

One Tree Per Child have designed a draft tree planting plan for a new community orchard and woodland in Kings Head Lane Park.

We are now undertaking a community consultation, please see map overleaf. Posters will be up at the site and can also be viewed at **www.bristol.gov.uk/onetreeperchild.**

Suitable tree planting locations have been selected throughout the area with **"the right tree in the right place"** principle, carefully considering each tree planting location and appropriate tree type. Tree planting is planned for this planting season and will be complete by the end of the Spring.
