Dear Sirs,

RE: PUBLIC PATH EXTINGUISHMENT AND DEFINITIVE MAP AND STATEMENT MODIFICATION ORDER (No. 1) 2025 - PUBLIC FOOTPATH BCC/589 BRISTOL

Bristol City Council is the order making authority (OMA) for the Bristol administrative area.

On behalf of the OMA, please find attached the (electronic) checklist, Index and relevant documents forming part of the submission to the Secretary of State for determination of the extinguishment order for footpath BCC/589.

Most of the documents are submitted electronically, as requested. The original sealed Order (in duplicate) will be provided as a hard copy by post, together with this letter.

Document 27 (extracts from the definitive map and statement) is provided. Please note that the footpath BCC/589 is not shown on the current map. It has been included by way of a recent Legal Event Modification Order but the definitive map has not yet been updated.

The OMA supports the Order as set out in its Statement of Grounds. In the event that the Planning Inspectorate determines that either a hearing or inquiry is the appropriate procedure to consider the application, the OMA will still support the order. There are no specific dates on which the OMA will not be available.

If any further document or information is required at this stage, please contact Dawn Bodill at the email address set out above.

Yours faithfully

Dawn Bodill
