Dear Sirs,

RE: PUBLIC PATH EXTINGUISHMENT AND DEFINITIVE MAP AND STATEMENT MODIFICATION ORDER (NO. 1) 2025 - FOOTPATH NO. BCC/589

I am writing in regards to the proposed extinguishment of footpath number BCC/589.

I can confirm National Grid Electricity Distribution (NGED) do not have any objection to this proposal. However, I would like to bring to your attention the fact NGED have numerous live High Voltage underground electricity cables installed within the area in question. I have enclosed a plan for your information. All due care and attention should thus be taken in the event of any ground works in the proximity of said apparatus.

Please note NGED intend to retain the apparatus in situ, as per the rights granted to us as a statutory undertaker under Section 261(4) of the Town and Country Planning Act 1990.

Should you have any queries regarding this matter, please do not hesitate to contact me.

Yours Sincerely,
[redacted]: Consents & Wayleaves Officer, Bristol
