City Transport

Statement of Reasons

Road/Area: Tormarton Crescent, Passage Road and junctions with Peverell Drive and Fitchett Walk. Henbury & Brentry Ward.

Proposal: Introduction of waiting restrictions in association with redevelopment of the Henbury Social Club.

The land associated with the former Henbury Social Club, located off Tormarton Crescent, is being redeveloped to provide 23 residential dwellings.

As a result of increased parking demand and vehicle movements anticipated with the housing development, it is proposed to introduce waiting restrictions at junctions, pinch points and other key locations where parked vehicles adversely affect visibility, traffic flow and access for residents and other road users, including pedestrians.

The proposed restrictions are intended to prevent inconsiderate and obstructive parking, improve access and maintain the safe and efficient operation of the highway in the vicinity of the development.

It appears to the Council that it is expedient to make the order –

- for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, or;

- for facilitating the passage on the road or on any other road of any class of traffic (including pedestrians).
