Summary of public comments:

Draft tree planting plan for Meadowsweet Open Space

November 2026

A draft tree planting plan was displayed in multiple locations in Meadowsweet Open Space and sent to local residents. In addition, it was added to the consultation page on the Bristol City Council website.

What happens next?

Tree planting will take place between December 2026 – March 2027

Comments received: We have given these comments consideration and provide responses below. Please note, we will only respond to comments that directly refer to the consultation.

Comment	Response
Support for planting	We received four emails in support of tree planting at Meadowsweet Open Space.
More trees will take away much needed open space use by the community	The proposed planting will be a small strip of woodland edge planting at the bottom of the hill, adjacent to the already established woodland. This area is currently scrub – tall nettles and bracken, it will not impact the open grassland areas of Meadowsweet Open Space.

Visit the Bristol City Council Webpage for more information on One Tree Per Child community planting and woodland maintenance events.
