Where decisions between children within a category have to be made, preference will be given to:

Those living nearest the school, using the LA distance database. In the case of twins, triplets and other multiple births and/or multi-home dwelling and it is not possible to determine which applicant lives nearest to the school, using the LA distance database, the available place(s) will be allocated by drawing lots.

One place in category 5.4 and in 5.6, offered by the governors at the original meeting, were not required as the children were offered a higher preference by the LA. Two further places were then offered in category 5.11. The furthest distance offered a place in this category was 0.711 km.

\* CLASS SIZE PREJUDICE APPEALS - Effects of Infant Class Size Legislation.

Appeals for St Bernadette Catholic Primary School will be heard on the basis of Class Size Prejudice. The school has one Reception class containing 30 children.

I enclose a sheet giving further information on Class Size Prejudice Appeals.

You should be aware that since the introduction of Infant Class Size Legislation in 2000, no appeals have been upheld in the parents' favour for this school.

There has been an increasing requirement for places in some areas of Bristol. The Council has worked to increase the supply of places and this year supply and demand are about equal which leaves very few unallocated places across the city. ## Allocation Statement for St Bernard's Catholic Primary School – September 2012

As St Bernard's Catholic Primary School was oversubscribed, the criteria stated in the booklet "Your Child's Primary Education in Bristol" has been applied to allocate the places that are available at the school.

33 on time applications were received by Bristol City Council and of these 23 were supported by Supplementary Information Forms as requested in our Admissions Policy.

St Bernard's Catholic Primary School has an Admission Number of **20**.

### How the Initial Allocation of Places was made:

The 20 places have been offered to the following children:

- Category 5.2**            Baptised Catholic children who reside within the boundary of St. Bernard's Parish (11 places)
- Category 5.4**            Siblings (6 places)
- Category 5.6**            Child of Baptised parents (1place)
- Category 5.7**            Baptised Christians with supporting letter from minister (2 places)

Five applications were allocated to category 5.7 with only 2 places available.

Numbered slips 1 – 5 (each one representing an applicant in category 5.7) were placed in a draw and pulled out in the following order:

- Application 5            1<sup>st</sup>
- Application 4            2<sup>nd</sup>
- Application 3            3<sup>rd</sup>
- Application 2            4<sup>th</sup>
- Application 1            5<sup>th</sup>

The Admissions Committee was joined by Darek Flak the Caretaker who acted as an independent witness to the draw.

The first 2 drawn made up the total number of applications to 20. The additional three were numbered 21, 22, and 23, should places issued under the above categories not be accepted.

## **Allocation Statement for Whitehall Primary School - September 2012**

As Whitehall Primary School was oversubscribed, the criteria stated in the booklet 'Your Child's Primary Education in Bristol' have been applied to allocate the places that are available at the school.

199 on-time applications have been received for Whitehall Primary School, which has an Admission Number of 60.

### **How the Initial Allocation of Places was made**

The 60 places have been offered to the following children:

1. Children in care of the Local Authority. (2 Places)
2. Those children with siblings already at Whitehall Primary School and who will still be on roll in September 2012. (22 places)
3. Those children living closest to Whitehall Primary School as measured in a direct line from the home address to the school (36 places) The furthest distance offered a place in this category was 0.386 Km.

\* CLASS SIZE PREJUDICE APPEALS - Effects of Infant Class Size Legislation.

Appeals for Whitehall Primary School will be heard on the basis of Class Size Prejudice. The school has two Reception classes each containing 30 children.

I enclose a sheet giving further information on Class Size Prejudice Appeals.

You should be aware that since the introduction of Infant Class Size Legislation in 2000, no appeals have been upheld in the parents' favour for this school.

There has been an increasing requirement for places in some areas of Bristol. The Council has worked to increase the supply of places and this year supply and demand are about equal which leaves very few unallocated places across the city.
