Information for Parents regarding Year Reception September 2013

New reception parents information Evening Tuesday 18th June 6:15pm - an opportunity to meet the team of practitioners, head teacher, find out about our school and your child's class and ask any questions.

Year reception transition sessions - Thursday 27th June, Tuesday 2nd July, Friday 12th July 1:30 - 2:45pm. These are opportunities for your child to meet their class teacher, explore their learning environment, make new friends, and listen to stories. Parents are invited to attend the first session with their child.

Feedback from our current reception parents about this process is very positive with the overall feeling that it places the needs of the pupils first and ensures they enjoy school and are happy. One parent said, "I know Lauren's transitional period is going to suit her..."

Shirehampton Primary School was inspected by Ofsted on 28th February - 1st March 2013 and was judged 'good' in all areas: Achievement of Pupils; Quality of Teaching; Behaviour and safety of pupils and Leadership and Management. Ofsted concluded we are good school because:

Teaching throughout the school is good and some is outstanding. Lessons engage and excite pupils at all stages of their development.
The school provides a safe, happy environment in which all pupils can thrive.
Children in the Early Years Foundation Stage make good progress from their starting points.
Pupils behave well in and around school and understand the code of fairness and responsibility that the school promotes at all times.
All leaders and managers, including governors, have determination and drive that focuses fully on continuous school improvement.
Pupil premium funding is used highly effectively to support individuals and groups of pupils.
Teaching assistants work well with pupils who need extra support for a wide variety of needs.
The school is important to the community it serves and parents are very positive about the work it does.

We look forward to working with you and your child.

Best regards,

Louisa Munton
Head Teacher

'Living and Learning through Christ'

Allocation Statement for St Bernadette Catholic Primary School – September 2013

The Governing Body met on 28 February, 2013 at 9:40am.

As St Bernadette Catholic Primary School was oversubscribed, the published admissions criteria in the 2013/14 admissions policy have been applied to allocate the places that are available at the school.

List received from LA showing 69 applications. St Bernadette Primary School has an admission number of 30. Only 29 places were allocated at the meeting as one place is reserved for a child with a Statement of Special Educational needs.

How the Initial Allocation of Places Were Made

- 6.1 Looked After Children and previously Looked After children who are baptised Catholics (0)
- 6.2 Baptised Catholic children who have a sibling at St Bernadette School (at the time of application) and who reside in the parishes of St. Bernadette, St. Gerard Majella or Sacred Heart. (9)
- 6.3 Baptised Catholic children who have a sibling at St Bernadette School (at the time of application) and who reside outside the parishes of St. Bernadette, St. Gerard Majella or Sacred Heart (3)
- 6.4 Baptised Catholics living in the parishes of St. Bernadette, Whitchurch, St. Gerard Majella, Knowle or Sacred Heart, Chew Magna (4)
- 6.5 Baptised Catholic children who live outside the parishes of St. Bernadette, Whitchurch, St. Gerard Majella, Knowle or Sacred Heart, Chew Magna (3)
- 6.6 Looked After and previously Looked After Children for whom a place is requested by the relevant person/authority. (1)
- 6.7 Children who will have a sibling (as defined below) at the school at the time of their admission. (2)
- 6.8 Children of other Christian faiths who live within the parishes of St. Bernadette, Whitchurch, St. Gerard Majella, Knowle or Sacred Heart, Chew Magna. (0)
- 6.9 Children of other faiths who live within the parishes of St. Bernadette, Whitchurch, St. Gerard Majella, Knowle or Sacred Heart, Chew Magna and have the written support (as defined below) of their minister or equivalent. (0)
- 6.10 Other applicants not in the above categories. (7)

In Categories 6.1, 6.2, 6.3 6.4 6.5 6.8 and 6.9 a copy of a valid baptismal certificate or equivalent validation should be sent to the school, who may also request sight of the original.

Tiebreaker

When applications in any category exceed the number of places available priority will be given to:

- (a) Children living closest to the school (see distance measurement below)
- (b) The drawing of lots undertaken by the Chair of the Admissions Panel witnessed by the Chair of Governors.

Home to school distances will be measured in a direct line from a point on the home address as held by the Local Authority to a central point within the main school building using the Local Authority's computerised mapping system.

Two places in category 6.4 and two in category 6.5, offered by the governors at the original meeting, were not required as the children were offered a higher preference by the LA. Four further places were then offered in category 6.10.

Infant Class Size Appeals

Statutory limits on class sizes mean that infant classes with a single qualified teacher cannot contain more than 30 pupils without taking 'qualifying measures' to comply with the statutory duty to limit infant classes with a single teacher to a maximum of 30. Qualifying measures include those such as

- employing an additional teacher
- building an extra classroom
- reorganisation of classes

The infant classes at St Bernadette Catholic Primary School are organised with a maximum of 30 in each year group, so appeals for the infant classes will be heard on the basis of 'class size prejudice'.

The Independent Appeals Panel is restricted to three circumstances in which they can uphold your case. These are if the panel are satisfied:

- (a) that your child would have been offered a place if the admission arrangements had been properly implemented.
- (b) the child would have been offered a place if the arrangements had not been contrary to mandatory provisions in the School Admissions Code and the School Standards and Framework Act 1998
- (c) that the decision was not one which a *reasonable admission authority would make in the circumstances of the case.

'Reasonable' is defined as

"In order for a panel to determine that an admission authority's decision to refuse admission was unreasonable, it will need to be satisfied that the decision to refuse to admit that particular child was 'perverse in the light of the admission arrangements', i.e. it was 'beyond the range of responses open to a reasonable decision maker' or 'a decision which is so outrageous in its defiance of logic or of accepted moral standards that no sensible person who had applied his mind to the question could have arrived at it'.

Allocation Statement for St Bernard's Catholic Primary School – September 2013

As St Bernard's Catholic Primary School was oversubscribed, the criteria stated in the booklet 'Your Child's Primary Education in Bristol' has been applied to allocate the places that are available at the school.

57 on time applications were received by Bristol City Council and of these 31 were supported by Additional Information Forms as requested in our Admissions Policy. One supplementary application had been received but was not on the Local Authority database.

St Bernard's Catholic Primary School has an Admission Number of 20. However, due to the demand for places at St Bernard's and the shortage of places in Bristol North West the Committee agreed to offer places to 25 pupils to the Reception Class for September 2013 as agreed by the Chair of Governors with the Local Authority and Clifton Diocese.

How the Initial Allocation of Places was made:

The 25 places have been offered to the following children:

Category 6(ii) Baptised Catholic children living in the parish of St. Bernard (15 places)

Category 6(iv) Children who will have a sibling (as defined in the policy) at the school at the time of admission (2 places)

9 applications were allocated to category 6v with only 8 places available. The Admissions Committee were joined by Mrs Hilary Barber who carried out the draw. The application forms were numbered 1 – 9 alphabetically and 9 pieces of paper were numbered 1 – 9 and put into a feely box which means that the pieces of paper were not visible from the outside. Mrs Barber picked out the pieces of paper and they were drawn in the following order:

Application 6	1 st
Application 8	2 nd
Application 5	3 rd
Application 4	4 th
Application 3	5 th
Application 2	6 th
Application 9	7 th
Application 7	8 th
Application 1	9 th

The first 8 drawn made up the total number of applications to 25. The additional one was numbered 26 should places issued under the above categories not be accepted.

To provide Bristol City Council with a waiting list the remaining places were allocated.

2 applications were allocated to category 6vi and Mrs Barber chose one application which was numbered 27 and the other number 28.

1 application was allocated to category 6viii and was numbered 29.

2 applications were allocated to category 6ix and again Mrs Barber chose one application which was numbered 30 and the other number 31.
