CATHEDRAL PRIMARY SCHOOL ALLOCATION STATEMENT FOR RECEPTION 2014/15

Cathedral Primary School is a Free School run independently from the Local Authority, funded directly by the Department for Education, for a set number of places in Reception. The school is part of a Coordinated Admissions Scheme with Bristol City Council School Admissions. Cathedral Primary School is its own Admissions Authority and has its own Admissions Arrangements and oversubscription criteria.

The reason why your child has not been successful in gaining a place at the school:

Unfortunately your child was not successful in gaining a place at Cathedral Primary School because more applications were received than there were places available.

The Published Admissions Number for Reception 2014/15 entry is 30.

How the 30 places have been allocated for Reception 2014

A total of 202 on-time applications were received by Cathedral Primary School and as the school was oversubscribed the places were offered in accordance with the oversubscription criteria as stated in the Admissions Arrangements 2014/15. The 1st round allocation was made as follows:

Looked after Child	0
Sibling	7
Medical and Social	0
Random allocation	23
Total	30

The operation of the waiting list for unsuccessful applicants:

The remaining unsuccessful applicants were drawn randomly and placed on a waiting list. If any of the places offered are declined then a fresh round of random allocation will be used each time a child is to be offered a place from the waiting list.

Appealing the decision:

Parent(s) wishing to appeal against the decision must complete the Cathedral Primary School Appeal Pro Forma giving their reasons for appealing. The completed Appeal form has to be returned to Admissions, Cathedral Primary School, College Square, Bristol, BS1 5TS by the **Thursday 22nd May 2014**.

The Democratic Services at Bristol City Hall organise our appeals on our behalf. The appeals are heard by an Independent Appeal Panel and their decision is binding. The appeal hearings for Cathedral Primary School will commence week beginning the 23rd June 2014.

Tiebreaker

When applications in any category exceed the number of places available priority will be given to:

- (a) Children living closest to the school (see distance measurement below)
- (b) The drawing of lots undertaken by the Chair of the Admissions Panel witnessed by the Chair of Governors.

Home to school distances are measured in a direct line from a point on the home address as held by the Local Authority to a central point within the main school building using the Local Authority's computerised mapping system.

Infant Class Size Appeals

Statutory limits on class sizes mean that infant classes with a single qualified teacher cannot contain more than 30 pupils without taking 'qualifying measures' to comply with the statutory duty to limit infant classes with a single teacher to a maximum of 30. Qualifying measures include those such as

- employing an additional teacher
- building an extra classroom
- reorganisation of classes

The infant classes at St Bernadette Catholic Primary School are organised with a maximum of 30 in each year group, so appeals for the infant classes will be heard on the basis of 'class size prejudice'.

The Independent Appeals Panel is restricted to three circumstances in which they can uphold your case. These are if the panel is satisfied:

- (a) that your child would have been offered a place if the admission arrangements had been properly implemented.
- (b) the child would have been offered a place if the arrangements had not been contrary to mandatory provisions in the School Admissions Code and the School Standards and Framework Act 1998
- (c) that the decision was not one which a *reasonable admission authority would make in the circumstances of the case.

'Reasonable' is defined as

"In order for a panel to determine that an admission authority's decision to refuse admission was unreasonable, it will need to be satisfied that the decision to refuse to admit that particular child was 'perverse in the light of the admission arrangements', i.e. it was 'beyond the range of responses open to a reasonable decision maker' or 'a decision which is so outrageous in its defiance of logic or of accepted moral standards that no sensible person who had applied his mind to the question could have arrived at it'.

St Patrick's School Appeals – Historically over the last 5 years

Parents have the right to appeal against the refusal of the Governing Body to admit their child and should **put their appeal in writing, to the Clerk to the Governors at St Patrick's School within 14 days** of receiving the letter of refusal. Appeals will be arranged by the Clifton Diocesan Department for Schools and Colleges and conducted in accordance with the Code of Practice on School Appeals.

2009 Admissions: we received 2 appeals; 1 Appeal was upheld
2010 Admissions: we received 2 appeals; 0 Appeals were upheld
2011 Admissions: we received 8 appeals; 0 Appeals were upheld
2012 Admissions: we received 15 appeals; 1 Appeal was upheld
2013 Admissions: we received 4 appeals; 0 Appeals were upheld

Key Points – If you decide to appeal

- Please consider carefully the strength of your case before deciding to proceed with an appeal.
- Decide on the reasons why St Patrick's Catholic Primary School is the **only** school to meet your child's needs.
- Prepare your case.
- Back up your reasons with strong evidence – stating your child's friend attends or that this is your local school is not considered as evidence.

An appeals panel can only uphold an appeal in these circumstances if

- (a) The admissions arrangements were applied wrongly in your case OR
- (b) It was unreasonable to turn your child down given circumstances.

The Law defines 'unreasonable' as being completely illogical, or not based on the facts of the case.

There has been an increasing requirement for places in some areas of Bristol. The Council has worked to increase the supply of places and this year supply and demand are about equal which leaves very few unallocated places across the city.
