INFANT CLASS SIZE – Government legislation means that infant classes (Reception, Year 1 and Year 2) with one teacher cannot contain more than 30 pupils. Given the extremely limited grounds on which an appeal may be upheld, Infant Class Size Appeals are rarely successful.

At Infant Class Size Appeals the independent appeal panel can only look at:

- Whether the admission arrangements were lawful.
- Whether the admission arrangements were incorrectly applied and your child should have been offered a place.
- Whether it was unreasonable to refuse your preference. The appeal panel would need to be satisfied that the decision was so completely absurd or outrageous that no reasonable person, with the same facts, would have made that decision.

Parents/carers can find it frustrating when they realise how very limited the powers of the Appeal Panel are. We are therefore drawing this to your attention now, so you can make an informed choice about whether you wish to appeal or not. The purpose of this information is to explain clearly the role of the Appeal Panel and not in any way discourage you from appealing, which is your legal right if you feel you have grounds to do so.

APPEALS PROCEDURE FOR ADMISSION TO RECEPTION 2018

BEFORE COMPLETING AN APPEAL FORM PLEASE READ ALL PAGES IN THIS BOOKLET

'Under the Education Act a parent/carer has the right to appeal against the decision to refuse their child a place at a school for which they have applied for.'

As a parent/carer you are able to express a preference to your home local authority regarding the school you would like your child to attend. If, however, the year group applied for is oversubscribed and has reached its published admission number (PAN) the admission authority may not be able to meet your preference. As a result, compliance with your preference would "prejudice the provision of efficient education or the efficient use of resources" at the school.

Cathedral Primary School (CPS), as its own admission authority received **284** on time applications for the reception class in September which has a published admission number of **60**.

All 60 places available have been offered in line with the oversubscription criteria, in order of priority, as set out in the CPS admission arrangements 2018/19. A copy of these arrangements are available on the CPS website <http://www.cathedralprimaryschool.org/> to remind you of the procedure that has been followed.

Infant Class Size

By law, all classes in which the majority of children will reach the age of 5, 6 or 7 during the school year (infant classes) can only have a maximum of 30 pupils. Where that limit is exceeded, schools are obliged to reduce that number by taking certain measures, such as employing an extra teacher or providing an extra classroom. Where these measures would cause prejudice to efficient education or the efficient use of resources, the admission authority can refuse to allocate any more places at the school (Infant Class Size Prejudice).

Please be aware there are limited circumstances in which an infant class size appeal can be upheld. The information in this document will allow you to make an informed decision about whether to submit an appeal. Where a child has been refused admission on this basis, an Appeal Panel can only offer a place to a child if it is satisfied that either:

- the admission of additional children would not breach the infant class size limit; or
- that the decision to refuse admission on the ground of the infant class size limit was not one which a reasonable admission authority would have made in the circumstances of the case; or
- that the child would have been offered a place if the admission arrangements had been properly implemented or the arrangements had not been contrary to the mandatory provisions in the School Admission Code and the School Standards and Framework Act 1998

How do I appeal for a place at CPS?

If you decide to appeal you will need to complete the CPS appeal form with **your reasons, in writing, why you wish to appeal for your child**. This form is available from the school website or by requesting one from Admissions at the school. You will need to submit the appeal form to the school by **Monday 14th May 2018**. You may include any additional information which you feel is relevant to your appeal and return it to: **Admissions, Cathedral Primary School, College Square, Bristol, BS1 5TS**.

How does the appeal process work?

Democratic Services at Bristol City Council is employed by CPS to administer and conduct school appeals on our behalf. They will organise an **independent appeal panel** which consists of 3 people with no prior connection with CPS, a Lay person, a Chair and a member acquainted with education. There will also be a clerk in attendance to minute the appeal.

The independent appeal panel must follow a two stage decision making process for all appeals.

Stage 1 - You will be invited to attend, which will be in the presence of all those appealing for a place for Reception. A presenting officer from the school will present the school's case and its decision not to admit the child. The panel will examine the decision by the school to refuse admission, whether the admission arrangements were correctly and impartially applied and whether the admission of an additional child would prejudice the provision of efficient education or the efficient use of resources.

Stage 2 - This is your individual appeal which will be held in private. The appeal panel must balance the prejudice to the school against your case for your child to be admitted. They will need to take into account your reasons for expressing a preference including what this school can offer your child that the allocated school or other schools cannot.

What happens once the appeal has been lodged with the school?

CPS will acknowledge receipt of your appeal paperwork by letter or email and will forward all your appeal documents to Democratic Services.

When will the appeal be heard?

The reception appeals for CPS are scheduled to start week commencing **25th June 2018**. You will receive notification in writing from Democratic Services 10 days prior to the appeal hearing with a date and time for you to attend.

Where will the appeal be held?

Appeals for CPS will be heard in Bristol City Council's City Hall, College Green, Bristol BS1 5UY.

Who decides the outcome of the appeal?

The independent appeal panel must either uphold or dismiss an appeal. **A panel's decision that a child shall be admitted is binding on the school and the parents**. If your appeal is successful then a place will be offered at the school immediately. As a result successful appeals will take the school over its PAN. If your appeal is unsuccessful then your child will remain on the waiting list.

When do we know the result of the appeal?

Parent/carers will be notified by Democratic Services once all the reception appeals have been heard.

What happens about the school place I've already been offered?

If you appeal, the place you have been offered at another school will be reserved by your home local authority pending the outcome of the appeal for CPS.

What if I change my mind about appealing?

If, at any time, you want to withdraw your appeal or remove your child's name from the waiting list, please inform Admissions at CPS and Democratic Services immediately.

What if I do not attend my appeal hearing?

Where an appellant fails, or is unable, to attend and it is impractical to offer an alternative date the appeal may go ahead in your absence and a decision reached based on the written information submitted.

What if a place becomes available from the waiting list?

If your child qualifies for a place that has subsequently become available at CPS whilst you are waiting for your appeal to be heard then in this event your appeal will be cancelled. N.B using your right to appeal will not affect your child being on the waiting list.

How are places allocated during the 2nd round allocation from the waiting list?

CPS is its own admission authority and maintains its own waiting list. The waiting list will consist of applicants who have requested to be put on the waiting list, those who lodge an appeal, or late applications received after the national closing date for primary applications on 15th January.

The waiting list will be ranked in line with the oversubscription criteria, and any late applicants who are 'looked after' or 'previously looked after' will be considered higher priority than any on time applications. A second round sibling applicant will get next priority at this stage

Where a place becomes available and there is no higher priority to allocate as above, we will reoffer a place by carrying out a fresh round of random allocation of all remaining applicants on the waiting list.

If you require any further information please contact Admissions via email admissions@bristolcathedral.org.uk or telephone 0117 35 35016.

This guidance is based on the published admission arrangements for CPS and the Department for Education, Code of practice on School Admission and School Admission Appeals. For copies of the DfE Codes of Practice please visit www.education.gov.uk

Allocation Statement for Redfield Educate Together Primary Academy – Admission to Reception year group September 2018/2019

Redfield Educate Together Primary Academy is run independently from the Local Authority (LA) and is funded directly by the Department for Education (DfE) for a set number of places in each year group. This is called the Published Admission Number or PAN. The PAN for Reception 2018/2019 entry is 60. Exceeding more than 60 places would place enormous constraints on the existing school site. Redfield Educate Together Primary Academy received 165 on-time applications. So with only 60 places available we could not offer a place to every applicant who applied. The oversubscription criteria used to offer places is set out in academies admission policy available on the Academy website.

The **60** places have been offered to the following children:

1. Highest priority was given to those children who are defined as 'Children in Care'; or children who were previously in care, but immediately after being in care became subject to an adoption, child arrangements, or special guardianship order. (**0** places)
2. Those children with siblings already at Redfield Educate Together Primary Academy who will still be on roll in September 2018. (**18** places)
3. Those children living closest to Redfield Educate Together Primary Academy as measured in a direct line from the home address to the school (**42** places)

The furthest distance offered a place in this category was **0.689 Km**.

The operation of waiting list for unsuccessful applicants:

Applicants must request a place on the waiting list by responding to Bristol City Council's outcome letter/email by 30th April 2018. Redfield Educate Together Primary Academy is its own admission authority and maintains its own waiting list. Infant Class Size Appeals

Statutory limits on class sizes mean that infant classes with a single qualified teacher cannot contain more than 30 pupils without taking 'qualifying measures' to comply with the statutory duty to limit infant classes with a single teacher to a maximum of 30. Qualifying measures include those such as

- employing an additional teacher
- building an extra classroom
- reorganisation of classes

The infant classes at St Bernadette Catholic Primary School are organised with a maximum of 30 in each year group, so appeals for the infant classes will be heard on the basis of 'class size prejudice'.

The Independent Appeals Panel is restricted to three circumstances in which they can uphold your case. These are if the panel is satisfied:

- (a) that your child would have been offered a place if the admission arrangements had been properly implemented.
- (b) the child would have been offered a place if the arrangements had not been contrary to mandatory provisions in the School Admissions Code and the School Standards and Framework Act 1998
- (c) that the decision was not one which a *reasonable admission authority would make in the circumstances of the case.

'Reasonable' is defined as

"In order for a panel to determine that an admission authority's decision to refuse admission was unreasonable, it will need to be satisfied that the decision to refuse to admit that particular child was 'perverse in the light of the admission arrangements', i.e. it was 'beyond the range of responses open to a reasonable decision maker' or 'a decision which is so outrageous in its defiance of logic or of accepted moral standards that no sensible person who had applied his mind to the question could have arrived at it'.

Appeals Procedure for St Joseph's Primary School

Appeals for a place at St Joseph's Primary School will be held in accordance with the information given in the Admission Policy for 2018-19:

Parents have the right to appeal against the refusal of the Governing Body to admit their child. You will receive an appeal form with your allocated school place letter from your Admission Authority.

Your completed form should include:

- Your contact details
- the name, address and date of birth of your child
- the name of the preferred school
- the reasons for your preference
- the grounds for your appeal.

The letter of appeal has to be sent to the Clerk to the Governors at St Joseph's School within 20 school days of receiving the letter of refusal. Appeals will be arranged by the Clifton Diocesan Department for Schools and Colleges and conducted in accordance with the Code of Practice on School Appeals. The result of the appeal is binding on all parties.

Key Points – If you decide to appeal

- Please consider carefully the strength of your case before deciding to proceed with an appeal.
- Decide on the reasons why St Joseph's Catholic Primary School is the **only** school to meet your child's needs.
- Prepare your case.
- Back up your reasons with strong evidence – stating your child's friend attends or that this is your local school is not considered as evidence.

An appeals panel can only uphold an appeal in these circumstances if

(a) The admissions arrangements were applied wrongly in your case OR

(b) It was unreasonable to turn your child down given circumstances.

The Law defines 'unreasonable' as being completely illogical, or not based on the facts of the case.

Place Allocation Statement for St Patrick's Catholic Primary School

September 2018 Intake

St Patrick's Catholic Primary School serves the Catholic parish of St Patrick's. It was built by parishioners and opened in 1933. Accordingly, the school is very much part of the parish community. The school is an academy which has been granted Catholic religious designation and is funded by the Department of Education (via the Education Funding Agency).

The parish of St Patrick's is defined by parish boundaries. A map showing the parish boundaries can be accessed on the school's website, or in hard copy from the school's office.

Why has my child not been offered a place at St Patrick's Catholic Primary School?

The school's published admission number ("PAN") for Reception Year for the September 2018 intake is 30 pupils. This is based on the number and size of the buildings contained on the school's site, and is also influenced by the statutory maximum infant class size of 30, which applies to Reception, Year 1 and Year 2.

When more applications for admission are received for more children than there are places available, the order in which the available places are allocated is determined by reference to the oversubscription criteria set out in the school's Admission Policy for the September 2018 intake, which is published on the school's website and replicated in the local authority's prospectus for all schools and academies in its area.

St Patrick's Catholic Primary School received applications for the admission of 106 children to Reception Year in September 2018 on or before the closing date for applications which was on 15th January 2018. This represents 76 more applications than there are places available in that year group. A total of 42 applications were from Baptised Catholic Children. This represents an unusually high proportion of applications and is the reason why applications from the highest oversubscription bands were still unable to be offered a place.

49 applications were first choice applications and all our offered places were from within this category.

Application of the Oversubscription Criteria for the September 2018 Intake

As the school was oversubscribed, the school's oversubscription criteria set out in the Admission Policy for the September 2018 intake were applied to determine the order in which places were allocated (i.e. to determine which of the 95 children were offered the 30 available places). One place was offered to a SEN placement as pre-determined by Bristol City Council so 29 places were offered from our Bulk Applications.

Registered Office, Blackswarth Road,
Redfield, Bristol, BS5 8AS
0117 3772387

www.stpatricksbristol.org.uk

These applications were ranked as follows:

Category	Description of criterion	No. of children
1	Baptised Catholic looked after and previously looked after children	0
2	Baptised Catholic children (or children with a parent) with an exceptional medical or social need	0
3.1	Baptised Catholic children with a sibling at the school at the time of admission living within the parish boundary	17
3.2	Baptised Catholic children with a sibling at the school at the time of admission living outside the parish boundary	4
4.1	Other baptised Catholic children living within the parish boundary	9
4.2	Other baptised Catholic children living outside the parish boundary	0
5.1	Other looked after and previously looked after children living within the parish boundary	0
5.2	Other looked after and previously looked after children living outside the parish boundary	0
6	Other children (or children with a parent) with an exceptional medical or social need	0
7.1	Other children with a sibling living within the parish boundary	0
7.2.1	Other children living within the parish boundary	0
7.2.2	Other children living outside the parish boundary	0

This means that the 30 available places were exhausted at category 4.1 (baptised Catholic children living within the parish boundary), and the tie breaker was used to determine which of these 21 children were allocated the remaining 9 places. The tie breaker was random allocation, as set out in the school's Admission Policy for the September 2018 intake.

This allocation statement only reflects the applications where St Patrick's Catholic Primary School was the highest ranked choice school of the parent.

Waiting List

The names of all children who were not offered a place will be maintained by the school until 31st December 2018, after which time the waiting list will be cleared. The waiting list is ranked strictly in accordance with the oversubscription criteria set out in the school's Admission Policy.

Admission Appeals

All parents have a statutory right to appeal against a decision to refuse their child a place at a school to which they have applied for admission.

The deadline for submitting a request for an appeal is **19th May 2018**, and the procedure to be followed (including the form which must be used) is set out in the Appeals Procedure Booklet, which is published on the school's website.

If you do decide to appeal, you will need to consider the strength of your grounds of appeal, and the reasons why you feel that St. Patrick's Catholic Primary School is the only school you believe can meet your child's needs. You should carefully prepare your case, including well-reasoned grounds of appeal, and provide supporting evidence wherever possible.

Examples of grounds which will not be met with success are that your child's friend will be attending the school, or that the school is the nearest of several local schools.

An appeal panel may only uphold your appeal where:

- The admissions arrangements did not comply with the mandatory requirements of admission law; or
- The admission arrangements were incorrectly or impartially applied in your child's case; or
- The decision to refuse a place was not one which a reasonable admission authority would make in the circumstances of your case.

The School Admission Appeals Code 2012 defines an unreasonable decision as one which is "perverse in the light of the admission arrangements", namely that it was "beyond the range of responses open to a reasonable decision maker" or "a decision which is so outrageous in its defiance of logic or of accepted moral standards that no sensible person who had applied his mind to the question could have arrived at it". This is a high threshold to meet.

APPEAL FOR A SCHOOL PLACE IN ACADEMIC YEAR 2017/18

This form should only be completed if you wish to make a formal appeal for Wallscourt Farm Academy.

Once completed, please return to: South Gloucestershire Council (CAH), Admissions & Transport Team, PO Box 1955, Bristol BS37 0DE by 21 May 2018.

INFANT CLASS SIZE – Government legislation means that infant classes (Reception, Year 1 and Year 2) with one teacher cannot contain more than 30 pupils.

At Infant Class Size Appeals the independent appeal panel can only look at:

- Whether the admission arrangements were lawful
- Whether the admission arrangements were incorrectly applied and your child should have been offered a place.
- Whether it was unreasonable/perverse (in law) to refuse your preference. The appeal panel would need to be satisfied that the decision was so completely absurd / outrageous that no reasonable person, with the same facts, would have made that decision.

Given the extremely limited grounds on which an appeal may be upheld, Infant Class Size Appeals are rarely successful. Since the legislation was introduced from September 2001, only 4 such appeals have been successful within South Gloucestershire.

Parents/carers can find it frustrating when they realise how very limited the powers of the Appeal Panel are. We are therefore drawing this to your attention now, so you can make an informed choice about whether you wish to appeal or not. The purpose of this information is to explain clearly the role of the Appeal Panel and not in any way discourage you from appealing, which is of course, your legal right if you feel you have grounds to do so.
