**1 Admission for entry to Year 7, September 2027**

Blaise High School has a Published Admission Number of 180 for entry into Year 7 in September 2027. Blaise High School is part of Bristol Council's Co-ordinated Admissions Scheme. Applications for admission to Year 7 at Blaise High School must be made in October of the year before admission for a place in Year 7, to the child's home Local Authority on their Common Application Form, naming Blaise High School as a preference on the form.

The Common Application Form (CAF) must be submitted to the child's home Local Authority no later than **31 October.**

In addition, the school has a Special Educational Resource Base for students with identified learning difficulties. The Resource Base provides 35 places for students with an Education Health Care Plan who are placed at Blaise High School by the SEN Team at Bristol City Council in agreement with the school. Parents wishing to apply for a place at the Resource Base should contact Bristol City Council, SEN Team in the first instance.

Applications must be made by the Parent. Parent refers to the person with 'parental responsibility' for the child or the child's designated carer. Where the applicant is not the natural birth parent this should be indicated on the application form.

**1.1 EHCP - Mainstream**

Students with an Education Health Care Plan that names the school will be allocated a place before other applicants are considered.

In this way, the number of places offered, as set out below will be reduced by the number of children with an EHCP that has named the school.

**1.2 Oversubscription criteria**

If the school receives more applications than there are places available, the following criteria will be applied.

**Priority 1: Looked After Children**

Priority for Looked after Children or children who were Previously Looked After.

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption (2), child arrangement orders (residency order) (3), or special guardianship order (4), including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.

(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. In Bristol, such children are referred to as Children in Care.

(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders).

(3) Under the provisions of section 12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.

(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

**Priority 2: Exceptional Medical/Social Needs**

Priority for students who have an exceptional social and/or medical need.

Students who have either medical or social grounds for admission to this school. This evidence must set out the particular reason why the student should attend this school rather than any other and show that this is the only suitable school to meet their stated needs, why no other local school could meet those needs and what the difficulties would be if the child had to attend any other local school.

Parents should complete the Trust's Social and Medical Form (in addition to the CAF), which can be found on the school's website www.blaisehighschool.co.uk The Social and Medical Form must be supported by relevant written evidence from a registered professional(s) involved with the child. Examples include registered health professionals, such as a Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter-headed paper and reflect the child's current situation.

**The Trust's Social and Medical Form must be submitted directly to the Greenshaw Learning Trust no later than 31 October via email to s.m@greenshawlearningtrust.co.uk or posted to, Head of Admissions, Greenshaw Learning Trust, Grennell Road, Sutton, SM1 3DY.**

**The CAF must be submitted directly to the child's home Local Authority no later than 31 October.**

Evidence submitted after the closing date will not be considered. Only in exceptional circumstances the Trust may apply discretion to consider evidence submitted after the closing date. It is therefore important that all relevant evidence is submitted at the time of application and should be submitted before the closing date to ensure full consideration.

Applications will be assessed against the evidence and determined as a joint decision of the Greenshaw Learning Trust Head of Admissions and the school's Headteacher.

**Priority 3: Children of permanent members of staff**

Priority for children of permanent members of staff of the school.
Where;

- The member of staff has been employed at Blaise High School for two or more consecutive years at the time at which the application for admission to the school is made; or
- The member of staff has been recruited to fill a vacant post for which there is a demonstrable skill shortage.

**Priority 4: Siblings**

Priority for students who will have a sibling at the school at the time of admission.

Sibling refers to brother or sister, half brother or sister, adopted brother or sister, foster brother or sister, step brother or sister, or the child of the parent's partner, as well as children who are brought together as a family by a same-sex civil partnership. In every case, the child must be living in the same family unit at the same address, Monday to Friday, at the time of the application.

Cousins or children of friends living with their parents in the same household are not included.

Where a parent applies for entry into the same year group for more than one child and it is not possible to offer a place to all of them, the names of the children who were unsuccessful will be added to the waiting list in accordance with the published admission criteria, in the same way as for other children.

**Priority 5: Pupil Premium**

Up to **60** places will be allocated to children who are eligible for Pupil Premium Funding at the closing date for applications. (31st October).

The Pupil Premium is additional funding paid annually to schools under Section 14 of the Education Act 2022 for the purposes of supporting the attainment of disadvantaged children.

***This criterion relates only to children eligible for Pupil Premium funding at the closing date for applications at the normal point of entry (Year 7).***

Parents must submit the Pupil Premium Supplementary Information Form (SIF) confirming that their child is eligible for Pupil Premium Funding. This form must be signed by a member of staff employed at the child's primary school and include the date and school stamp. The Pupil Premium Supplementary Form can be found on the school's website www.blaisehighschool.co.uk

The Supplementary Information Form must be submitted directly to the Admission Officer at Blaise High School no later than 31 October for consideration for priority under this criterion.

***Applications are ranked in accordance to the home to school distance. The distance measurement used is defined within Priority 5 for distance.***

**Priority 6: Distance**

Any remaining places will be offered based on proximity of the child's home address to the school. Distances will be measured in a straight line using the computerised system as specified by Bristol City Council.

The address on the application must be the child's permanent place of residence. The address will normally be the parents' address. It should not be a business, or carer's/childminder's address. It should also not be a relative's address unless the child lives at that address as their normal place of residence. Parents must not use a temporarily rented address to secure a school place for their child if they still possess or rent a property previously used as a home address. Nor will a temporary address be accepted if we believe that the temporary address is being used solely for the purpose of obtaining a school place when an alternative address is still available to that child.

Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration (i.e. a letter) signed by both parents stating the pattern of residence. A letter of joint declaration should be sent to the student's home Local Authority and must be received before the closing date of 31 October. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to the school.

If no joint declaration is received by the closing date for applications, then if the residence is not split equally between both parents the home address will be determined to be the address where the child spends the majority of the school week; if residence is split equally between both parents the home address will be determined to be the address where the child is registered with the doctor. However, all evidence will be taken in to account.

All school admission applications for school places are subject to address checks to ensure school places are allocated fairly and in accordance with published admission arrangements. These checks will be conducted by the home Local Authority. Where a fraudulent address or an address of convenience are found to have been used, the application and any subsequent offer may be withdrawn.

Applicants living outside of England may submit an application if they have a linked address within the Local Authority area, and documentary evidence must be supplied to show they will return to the address prior to the September of the year of entry; this address must not be an address of convenience. Where a linked address is not available the overseas address will be used to determine the home to school distance.

For families of service personnel with a confirmed posting to the area, or crown servants returning from overseas to live in the area, who do not currently live in the area, a Unit postal address or quartering area address will be used as the home address, provided that the application is accompanied by an official letter that declares a relocation date and the address.

***Applications are ranked in accordance to the home to school distance within each priority. The distance measurement used is defined within Priority 5 for distance.***

**1.3 Tie Breaker**

Where two or more applicants share priority for a place, the child to be offered a place will be selected by the drawing of lots. Lots will be drawn by a senior officer of the Greenshaw Learning Trust Shared Service who is independent of the school's admissions process.

**2 Applications for students outside of the normal age group**

Students are normally educated in school with others of their age group. However, parents may request that their child is exceptionally admitted to an age group outside of the child's actual age.

Parents should submit a request for education outside of the normal age group in writing (by letter or email) at the time of the application. The request should be sent with the application to the address detailed on the application form.

The decision will be made based on whether or not the child's circumstances make this appropriate, taking into account the child's individual needs and abilities and considering which year group these needs can best be met. Such requests will only be agreed in exceptional circumstances.

Decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

Parents may wish to include evidence of the child's circumstances which make education outside the age group necessary. Evidence must be of the individual child's need, rather than general factors which relate to a wider group of children born at a similar time.

Parents requesting admission to an age group below the child's actual age should submit an application for the child's actual age group before the relevant closing date in the normal way. The request for later admission should accompany the submission of the Common Application Form to the home Local

Authority. This enables the application to be processed, and a school place secured in the child's actual age group if the request for admission to an age group below the child's actual age is refused.

The decision will be made as a joint decision of the Greenshaw Learning Trust Head of Admissions and the school's Headteacher.

**3.1 Late Applications**

Any applications received after the closing date will be regarded as "late" applications except in very exceptional circumstances. This includes any change of preference which is received after the submission date even if the original application was an "on time" application.

For over-subscribed schools, late applications received after submission date but before 1 September 2027 will be considered together with original applicants refused a preference who have lodged a formal appeal or have asked to remain on a waiting list. In all cases the admissions criteria will be used to determine the allocation of any places that may become available within the schools published admission number. Any late applicants refused a preference will be informed that they can lodge a formal appeal and/or remain on a waiting list. There will be no priority given to the length of time an applicant has spent on the waiting list or whether they have indicated that they wish to appeal.

For undersubscribed schools, late applicants will be offered a school place on 1 March or as soon as possible after that date. Applications received after the submission date will be dealt with in order of date of receipt in School Admissions.

If any undersubscribed school becomes full, any places which subsequently become available will be offered to any late applicants by applying the published admissions criteria.

**3.2 Notification and Acceptance of Offers**

Notification of offers for admission to Year 7 will be sent to parents by their home Local Authority. Offers are made by the home Local Authority on or about 1 March. Written acceptance of the offer of a place must be sent to the home Local Authority to be received by the closing date as stated in the offer letter.

***An offer found to have been gained fraudulently may be withdrawn.*** **This may also be the case after the child has started at the school.**

**3.3 Waiting lists**

If the school is oversubscribed a waiting list will be held for Year 7 until 31 December.

Parents wishing to remain on the waiting list after 31 December should write to the school by 31 December stating their wish and providing their child's name, date of birth and the name of their current school.

The waiting list will be prioritised according to the school's oversubscription criteria and without regard to the date the application was received, or when a child's name was added to the waiting list.

**4 In-year Admissions**

To apply for a place at Blaise High School other than at the specified dates of entry, parents should contact the school to obtain the In-Year Admission Form. The In-Year Admission Form should be completed and returned directly to the school.

Where there are more applicants than places available, the school will maintain a waiting list according to the oversubscription criteria, with the exception of Priority 5: Pupil Premium, which is only relevant at the Normal Point of Entry (Year 7) and without regard to the date the application was received, or when a child's name was added to the waiting list.

Positions on the waiting list may go down as well as up. This is because other children might be added to the waiting list who have a greater priority for a place against the school's admission criteria; for example, when new families move into the area or when other families who had not previously named the school as a preference, ask to go on the waiting list after the initial allocation date.

Waiting lists are cancelled at the beginning of the following academic year. Parents must re-apply if they wish for their child to be considered for a place at the school after this point by completing a new in-year application.

**5 Appeals**

Parents have a statutory right of appeal against the decision not to offer a place at a school, under the School Standards & Framework Act 1998.

Appeals will be heard by an Independent Appeal Panel established by the Greenshaw Learning Trust to hear the appeal. The panel will decide whether to uphold or dismiss the appeal. Where a panel upholds the appeal, the school is required to admit the child.

Appeals for entry in September 2027 must be received by **Friday 16 April 2027** at the latest if these are to be heard by the Independent Appeal Panel by **Monday 21 June 2027**. Appeals received after **Friday 16 April 2027** where possible will be heard by **Monday 21 June 2027**; however, this will depend on the date the appeal is lodged and cannot be guaranteed.

Further information on how to lodge an appeal can be found here
