The 30 places have been offered to the following children according to our policy:

3. Other Catholic children (3 siblings, 2 other children)
4. Other looked after and previously looked after children (0 children)

6. Any other children (6 siblings, 3 other children)

Where we are oversubscribed random allocation from the school policy is followed. For applications in September 2022, this was applied to Category 6.

Random Allocation is the drawing of lots, supervised by a person independent of the school. Each child will be allocated a number. All the numbers will be placed into a hat or other suitable container and will be drawn out and ranked in the order that they were drawn. For children of a multiple birth, only the allocated number of one of the children will be entered in the draw. Where this number is drawn, the other 3 child or children will be deemed to have also been drawn. Lots will then also be drawn for these children to decide their individual ranking. This process will also be applied to brothers or sisters who are not from a multiple birth but are applying for a place in the same year group.
