Dear Chair,

Please could
you see to it that the
minutes from the inquiry
are sent to me and inform
me of any walk round
actual sew called
"MENDAYS" site you have
planned!? AND if not WHY!?
I went to attend meeting
today (9/2/83) but felt I
wasn't able to in excessability
in room! Is it still a
PUBLIC ENQUIRY!? I also have
countless crimes listed
which "HARB ENGLAND" have
committed here and

can make you aware
of them if interested!?
Before prosecution,
prosecution takes place
as case is very much
ongoing, with evidence
building!
