

Your top priorities from 2021 survey and what we are doing about it.

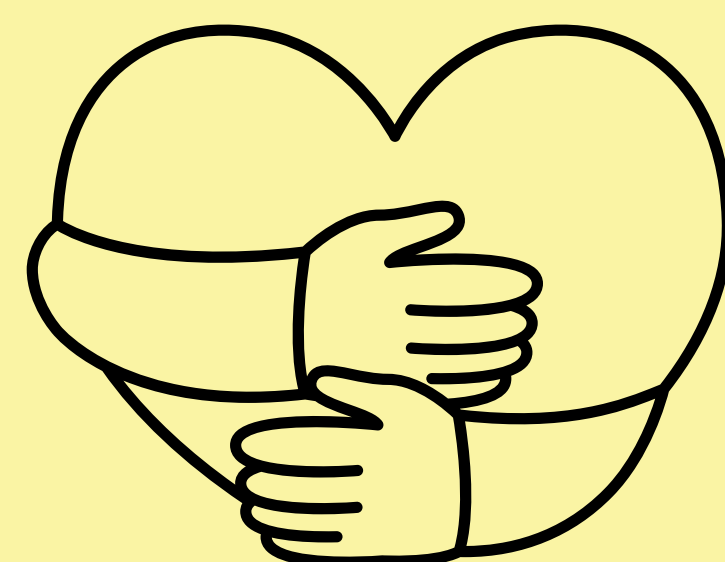

## Pets

We are helping children to have pets if they want to

## Emotional wellbeing

There are different types of help and support available if you need it

## Having a say in decisions

We are trying out more ways to hear children's views - including new toys and equipment

# Foster Carers

We are giving carers  
extra training

# Schools

We are working with  
schools to make sure they  
know what's important for  
children in care

# Knowing your story

We help children  
understand their life story  
in a way that suits them
