Dear resident

Barton House – Friday 15 December 2023 update

Interim survey results meeting invitation

I would like to thank you for your ongoing understanding and patience over the past month. I know the changes have been unsettling for many of you, and that you have been living with uncertainty for many weeks now.

I am pleased to tell you we now have the interim results from the recent building surveys and are analysing these and discussing them with the surveyors. By Monday afternoon we will be able to tell you more about what the new surveys tell us and what this means for the future.

We would like to invite you to a residents' meeting on **Monday 18 December** in the Conference Hall at Bristol City Hall, College Green, BS1 5TR. Please arrive from 2.30pm for a 3pm start. The meeting will finish no later than 5pm. There will be refreshments available. The meeting will be for Barton House residents only and we will be refusing entry to anybody who is not a registered resident.

The meeting is being held at City Hall to allow more space for all residents to attend, including everyone staying in Holiday Inn, those staying with family and friends, and anyone who has remained at Barton House. It will also allow us space for live translations in Arabic, Somali and Pashto languages.

We encourage you to join us for the meeting if you can, so you can hear from us and have an opportunity to discuss things with us. We will provide you with the latest on the surveys that have taken place at Barton House; what we think the surveys mean for the building; and the need for water system tests.

All Barton House residents are welcome. We ask that only adults attend the meeting. However, if you need to bring younger children, there will be a supervised creche area available on the day. Prayer facilities will be available. If you need help with travel arrangements or parking to help you attend the meeting, please contact a Housing Officer for support or email us to tell us how we can support you to attend this meeting.

Yours sincerely
