

Bristol City Council Development Sites Resident Feedback – Claypiece Road

Overview of responses

Resident engagement for the proposed development at Claypiece Road, ran between 6 December 2023 to 5 January 2024. 9 responses were received.

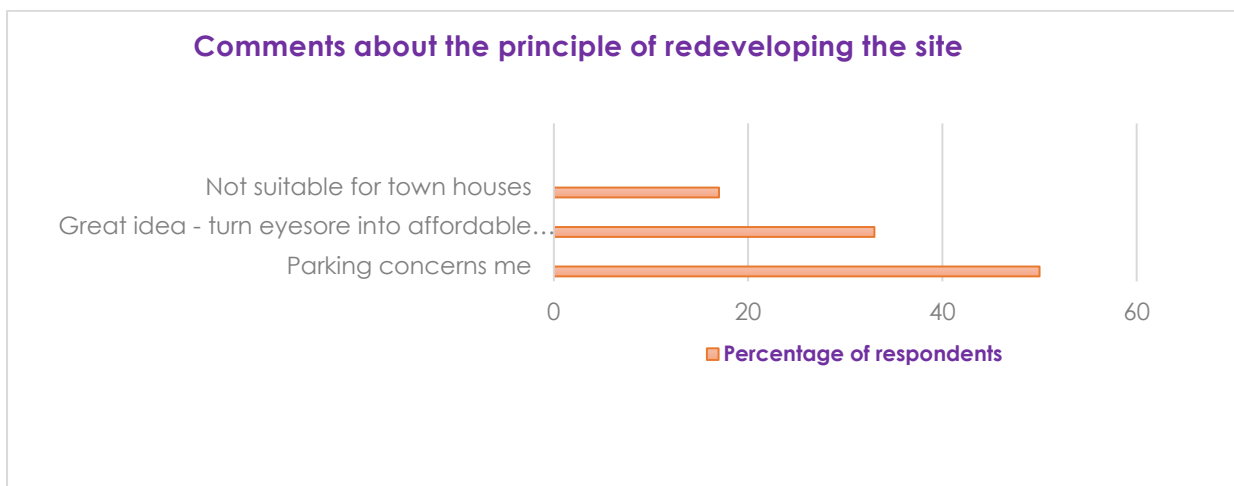

Survey respondents were asked several questions, the results of these are shown below:

Q1: Do you support the principle of redeveloping this site for residential development?

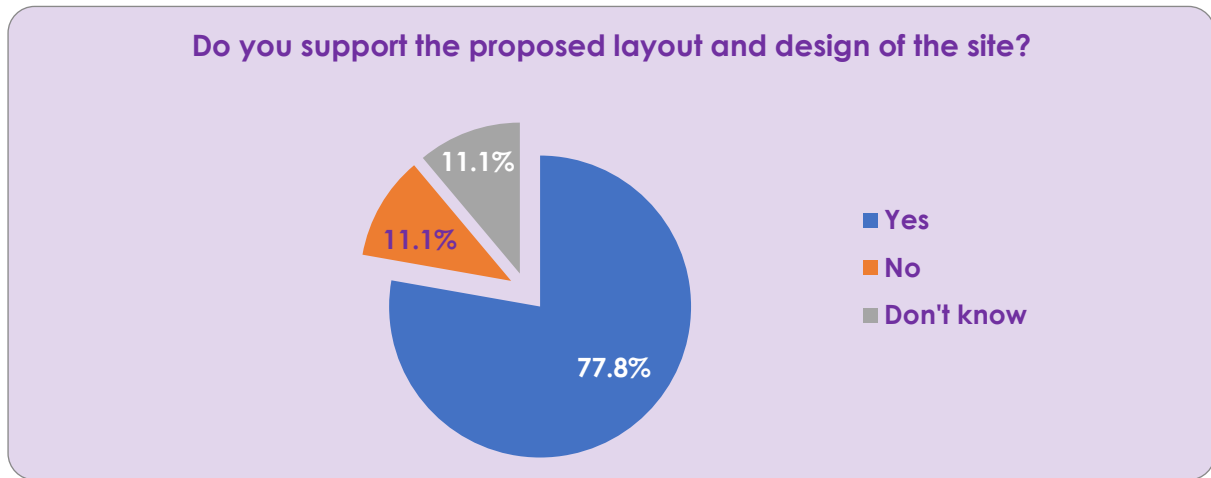

- 89% of respondents said they **supported it**.
- 11% of respondents said they **did not know**.

Q2: "If you have any comments about the principle of redeveloping the site, please provide below".

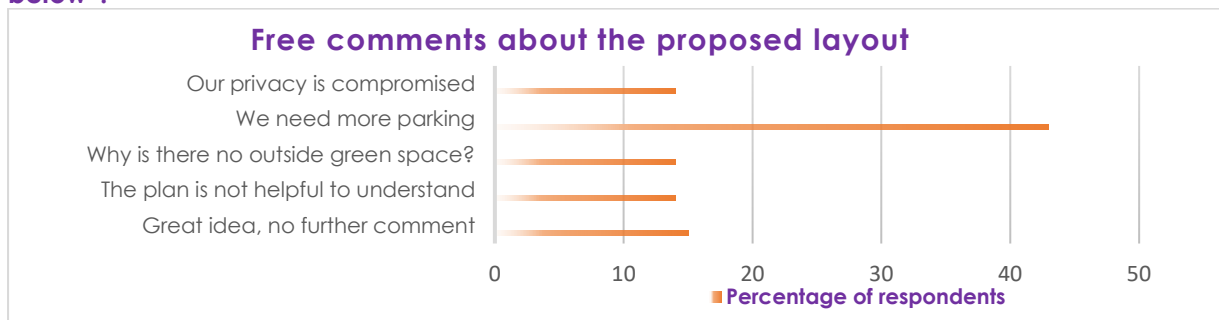

Q3: Do you support the proposed layout and design of the site?

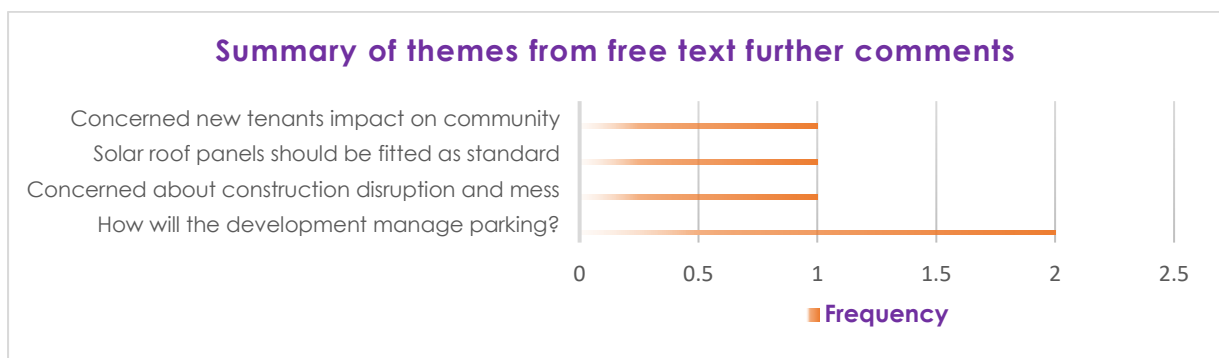

- 78% of respondents said they **supported** the proposed layout of the scheme.
- 11% of respondents said they **did not know**.
- 11% of respondents said they **did not support it**.

Q4: "If you have any comments about the proposed layout and design, please provide below".

Q5: "If you have any further comments, please provide them."

Below is how we have considered the main themes that were raised in the final proposal:

You asked about parking arrangements for the proposed development.

The proposed development does not include any off-street parking and the likely small number of vehicles associated with the 4 dwellings will utilise on-street parking. Given the dwelling type proposed (one-bedroom apartments) and existing on-street parking provision in the area, this is considered to be an appropriate arrangement.
