Additional notes to add to my submission to the Public Right of Way Officer regarding Stoke Lodge Access

[REDACTED] Ellbridge Close, Stoke Bishop, Bristol BS9 1BU. Tel. [REDACTED]

West Dean entrance

I have lived in the surrounding area for the past 39 years during which time I have used Stoke Lodge West Dean footpath to access the shops in Westbury on Trym. In the past 20 years, since I stopped driving, I have crossed from Stoke Lodge House through West Dean entrance at least twice a week and at least once a month on a Sunday to go to Westbury and then by bus to visit my daughter in Henleaze.

Cheyne Road entrance

I have used this route on a number of occasions since I have lived in Stoke Bishop, but for the last 5 years as part of my therapeutic exercise walk following open heart surgery. The route is an extension of my walk from Bell Barn Road, through the Lodge grounds to Druid Hill and then down Shirehampton Road. Whilst this is not as interesting a walk as walking in Blaise Castle or along the bank of the river Avon, it is the route I feel most comfortable taking whilst walking alone.

Other observations

During the time I have used Stoke Lodge I have regularly seen football and cricket matches played in Stoke Lodge grounds and until 2012(?) I watched both my grandsons play football for Sonics against Rockleaze or other teams. In addition cricket matches were played at the weekends. (I believe the home team to have been Stoke Bishop Cricket Team) Also, some local schools held their sporting activities on the grounds. At no time was I, or any other person walking in the vicinity (as far as I could tell) stopped from using the grounds. I often crossed Stoke Lodge when the white line marking for football matches was being applied and never once was I challenged. For many years all types of activities, whether formal matches with people watching, members of the public crossing the Park or children playing football, all worked in harmony alongside each other.

[REDACTED] 20/6/18

Post Script

I have twice attended a barbeque and cricket match within Stoke Lodge grounds, organized by the company I worked for and, whilst as a matter of courtesy Bristol City Council were informed of our intention, no objection was raised
