MINUTES

RESOLVED - that the Minutes of the meeting of the Working Group held on 19th September, 1983 (copies of which had been previously circulated), be approved as a correct record and signed by the Chairman.

RESOLVED - that the tender submitted by W. Cowlin & Son Ltd in the sum of £32,857 being the lowest received be accepted.

Stoke Lodge Playing Field

Members were reminded of the many complaints regarding the misuse of this playing field for unauthorised purposes.

One particular area of difficulty was the car park adjacent to Cross Eims Lane, which had been subject to rubbish dumping and nuisance from motor cyclists who used the car park and the lane leading to the Playing Fields Unit depot as a racetrack. There were a number of pensioners and disabled persons living nearby. The question of security of the depot was also a factor to be considered.

It was suggested that the gates to the car park be restored, and fencing provided to enable the use of the car park to be controlled.

A quotation of £1,189.00 had been obtained for those works, which would be charged to the Playing Fields Unit budget.

RESOLVED - that the works proposed be put in hand.

Review of Central Headquarters Office Accommodation (Report of the Chief Executive Appendix 'B' to these Minutes).
